Ashland High School News

Celebrating the victory over the Roseburg Indians, (33-14), a dance was held in the high school gym. The event of the evening was the crowning of Bonnie Griffith, Football Queen. She was presented with a lovely crown of red and white carnations. Doris Sample and Marjorie Ballard were princesses. Dancing followed the ceremony.

The Roseburg high school band in their snappy orange and white uniforms were on hand for the game and drilled at the half. With three high-stepping majorettes leading the band marched down the field and were joined by the girls pep club to make a football in the center of the field. Generous applause showed the effort used to put on this stunt was appreciated.

Ashland high commemorated Sadie Hawkins day with a girl-ask-boy dance. A large crowd turned out in the proper spirit for the annual frolic. The gym was decorated with bright colored crepe paper, corn stalks, etc. The floor was divided so that dancing and games could be enjoyed at the same time. Plaid shirts and levis seemed to predominate while others masqueraded as Daisy Mae, 'il Abner and Mammy Yokum. Ben De Haven and Marjorie Messenger received prizes as the best dressed. Cider and doughnuts were served and dancing and games completed an enjoyable evening.

Two very worthwhile organiza-

tions being started in school are the Tri-Y and Hi-Y, for girls and boys respectively. The Hi-Y has been so successful in the past years that the girls are starting their organization. Plans are being made and a district official was in Ashland offering advice and suggestions. The officers elected were, Marjorie Ballard, President, Phyllis Ross, Vice-President, Joan Helm, Treasurer, with corresponding secretary and business secretary, Jean Hardin and Gloria Wenner.

An enjoyable program was given the student body by Lee Grabel, magician, Monday afternoon. His forty-five minute program proved very entertaining. Assisting him in his mystifying feats were his wife and several students picked from the audience. The magician's delightful personality and clever wit along with his skill in magic, fascinated the audience. It is hoped that other such entertaining assemblies may be presented in the future.

AN IMPORTANT DATE FOR THOUSANDS OF ARMY VETERANS NOW IN CIVILIAN LIFE

Between now and November 21, thousands of Army veterans will reenlist in Uncle Sam's new volunteer peacetime Army. Because men who have been discharged between May 12 and November 1 of this year and reenlist on or before November 21 will be able to return to the Army with the same grade as they held when discharged.

Men with six months of satisfactory service discharged as privates will, on reenlistment before November 21, be given the grade of private first class.

Men now in the Army who apply for discharge after NOVEMBER 1 for the purpose of reenlisting in the Regular Army will also retain their present grades, if they enlist within 20 days after discharge and before FEBRUARY 1, 1946.

"BEST JOB IN THE WORLD" These special privileges are typical of the new law recently passed by Congress. Few opportunities for a lifetime career offer as many attractive advantages.

Can you think of any other job that would give you good pay, your food, clothing, quarters, free medical and dental care, world-wide travel, 30 days' furlough every year, education and training in any of nearly 200 skills or trades, and enable you to retire with a life income anytime after 20 years' service?

There isn't any! That's why a job in the Regular Army has been called "The Best Job in the World."
