Washington School

Room I

Doris Wood has moved to Prospect. We are sorry to have Doris go.

Gloria Key is in school again after being absent for nearly two weeks.

Margaret Heavilin had a nice trip last week. She went to Klamath Falls to visit her grandmother.

We are having lots of fun studying about the Indians and we are making many Indian things.

Room IV

Zon Johnson, of Room 4 is moving to Klamath Falls.

Margaret Steen, is moving to Kansas. Richard Gillmore has moved to Lincoln School.

The boys and girls and their teachers, will miss these friends very much.

The students of Room 4, are studying Indians which are very interesting. A tepee is on the sandtable, with Navajo Indian Dolls standing around it. The boys and girls also made an Indian Doll; carving the face from an apple. White navy beans were used for the eyes and yarn for the hair. When the apple dries, it leaves it with many wrinkles.

A pueblo made of clay or adobe, is on a small table, small ladders lead up to it. The students will make ovens of clay, to put around the pueblo.

Indian bread, which is baked in these ovens, is called ci-me-ta.

Room 4, had a Halloween party, and had a very good time. Games were played, and refreshments of cider, cookies, and candy were served by the Room mothers, Mrs. Johnson and Mrs. Schuman. The pupils thank Mrs. Schuman and Mrs. Johnson, very much, for the delicious refreshments, and for helping to make their party such a success. Mrs. Bentley also sent some very delicious cookies, cut in many various shapes and a box of cracked

walnuts. The pupils also thank her very much for her kindness.

Barbara Jane Allen, who, with her mother and brother, wen to Los Angeles because of the serious illness of Barbara's grandmother, returned to Ashland Monday. The boys and girls are glad to have Barbara back again, and are very happy to report that her grandmother is much improved.

Jean Mitchell brought to the students in Room 4, a large black Halloween cat, filled with candies and Good Wishes. It added to the joy of the Halloween Party, and the boys and girls thank both Mr. and Mrs. Mitchell, for their kindness.

Room 5

Our room greatly enjoyed our Halloween party. The teacher of our room read us some stories, and we played games. We played grab box. Jimmy W. got a quarter, and George got a dime, and Le Roy got a nickel.

Floyd Miller has withdrawn from our third grade. Wilma Ann Smith, is back with our Third Grade again. Wilma entered school here at the beginning of the term, but for the past few weeks has been enrolled in Bellview. Another new pupil in our Third Grade is Jimmy Sutherland. Jimmy comes to us from Bellview too, and is a helpful member of our group.

We have now completed our Pilgrim sand table project. It is quite colorful and we all enjoy it.

Mrs. Arthur Watrus, mother of Jimmy Watrus, one of our Fourth Grade boys, was a visitor in our room, Tuesday November 6th.

This morning Jack Baker was elected Class Reporter by our room. Jack is a member of the Fourth Grade.

Room 6

Room Six is next to the principal's office, so it has the job of answering the telephone when no one is in the office. The monitors who take charge of this are May Johnson and Wanda Oden. The room also has charge of the flag during the month of November. The two boys who take care of this are Dick Thornton and Kenna Grandee.

There was a special assembly in honor of Armistice Day on Friday, November 9, which grades three to six attended. The meeting was called to order by the newly elected student body president, Roy Rogers, who led the assembly in the flag salute. Mr. Fader gave a talk on the significance of Armistice Day, and the assembly was ended by everyone singing the first and last verses of America.

All the children of the school enjoyed an assembly earlier in the week in which Lee Grabel performed many feats of magic. He is a professional magician.

The first issue of the school newspaper will be out this week. The regular staff members from Room Six are Lois Downing, Kenna Grandee, and Bruce Harper. Probably two more from the room will be added to the staff, as there are to be five members from each of the three upper rooms.

Room 8

Oct. 30th was election day, at Washington School. Room 8 feels very much honored in the Roy Rogers, president, Hugh Messer, vice president and Dale King, secretary, are all pupils of this room.

Room 8's Halloween party was a "howling" success. Refreshments consisted of cookies, pop and candy. The children wore costumes, some were very pretty and artistic, others very hideous or funny. The parade through all the rooms was the "high light" of the afternoon.

On Tuesday November 6, all the pupils of Washington School saw a magic show. The magician

used pupils as stooges which added greatly to the enjoyment of the performance.

Gladys Cullop of Room 8 brought two medals to school, which her brother Clarence has sent from Germany. One was the "good Conduct Medal" the other the "Bronze Star" for Bravery in Action". They aroused much interest among the pupils.

Many Attended Rebekah Meeting

The thirty seventh annual Rebekah Convention of District No. 12, met in regular session with a large number of members in attendance. There were 105 members and 8 visitors present, every lodge in the district was represented except one.

Celia A. Berninghausen, Chairman Hope No. 14 presided with a very interesting and instructive program being carried out.

Distinguished guests present for the meeting were, Ethel Bailey, president of Rebekah Assembly of Oregon, Louise Perozzi, past president, Alma Cofer, conductor of Rebekah Assembly.

Chairman Ethel Weid, Olive 28, R. S. Vice Chairman, Clara Vincent, Mt. Pitt No. 167, L. S. Vice Chairman, Ella Mae Gail, Amethyst No. 97.

At the evening session the hostess Lodge Hope No. 14 opened in regular form. The Assembly of officers and visitors were introduced then Etna No. 49 of Grants Pass took the chairs and put on the initiatory degree with two Grants Pass and one Ashland candidate inducted into the lodge.

An outstanding address was given by Ethel Bailey, President of the Rebekah Assembly during the evening. Alma Cofer, conductor of Rebekah Assembly gave a talk as did Louise Perozzi, past President and other guests.

Refreshments were served by the hostess lodge at the close of the evening to the 155 present.

Ashland High School News

By Katherine Grossman

The student body was privileged to hear two fine speakers this week. Dr. Frank Dillon, president of Linfield College and Rabbi Alexander Feinsilver of Sacramento, California. Rabbi Feinsilver's address, "What we Jews Believe", was well received by an interested audience. Dr. Dillon's address on the problems of our nation was very informative and interesting. Both speeches were timely and of great interest to the students.

The aeronautics class, taught by Mr. Francis visited the Medford airport Friday afternoon. Instructors and fliers were on hand to answer questions and give information. While there, they watched an airliner land on the field. An air conscious class returned to Ashland.

With football season over, basketball practices are starting. Coached by Frank O'Neal, the boys are enthusiastic and getting in shape for the coming games.

Dutch Student Talks at Local College Mon.

Southern Oregon College of Education, Nov. 19—Edmond Peter Wallenstein representing the World Students Service Fund, spoke at the Southern Oregon College of Education, Monday, November 19. He stated that he was one of three representatives

of the World Students Service Fund chosen to appear before the various colleges of this country, the other representatives being one French and one Belgian. The speaker, a student from Holland, gave account of the Nazi occupation of his country, much of his information derived from his own experience.

The Reverend George M. Shuman accompanied the speaker and introduced him.

Funeral services were held Saturday at 1:30 at the Litwiler Funeral Chapel for Addie Belle

Peck who died Wednesday, November 15. The Rev. C. F. McCall officiated. Interment was made in the Mountain View cemetery. Mrs. Peck had lived in Ashland for the past 25 years.

Do you know what's missing from this picture?

If you're waiting for a telephone, what isn't in this picture may be far more important than what you see.

For although we are now getting and installing thousands of new telephone instruments, even more orders for service are being held up (and this may be the case with you) by a shortage of other facilities that take longer to build.

In many places, for example, we will have to build complicated new switchboards before we can provide telephone service . . . in others, we will even have to put up new buildings to house those switchboards.

But we are working full speed ahead, and no matter what the conditions are that are holding up your telephone, you can be certain we are doing everything we can to get to your name on the waiting list just as swiftly as possible.
