Friday Saw Close Daily Bible School

One of the most successful Daily Vacation Bible schools ever held in the Methodist church here, closed Friday. Genevieve Holbridge was the superintendent. The parents and children gave fine co-operation. Friday night the children and their teachers presented a program of songs, memory work dramatized stories, a piano solo by Theresa Ford and a selection by the primaries' Rhythm Band conducted by Gayle Thoreson.

Thirty boys and girls received certificates and awards for perfect attendance, and fifty received certificates for attending at least 7 sessions. Gayle Thoreson and Earl Tyckson received awards for bringing the most new folks to Bible School.

The children had made many articles of hand work which were exhibited. The program was well attended and greatly appreciated.

Tom Ramsey is now employed at the Talent Garage.

LOOK to Greyhound first for
PERSONALIZED ATTENTION

To most people the phrase "Greyhound Service" means one thing above all others—the friendly, personal interest Greyhound folks take in helping their customers with every travel problem, in doing everything they can to assure each passenger a most enjoyable trip.

Greyhound's reputation for personalized service is no accident. From the very beginning, careful consideration for the welfare of

its passengers has been the keystone of Greyhound policy. Drivers, agents and all personnel are carefully chosen and thoroughly trained to carry out this policy.

Today, Greyhound is rightly proud of the fact that a child, an elderly person, or people who have never travelled before can enter a Greyhound depot and be sure of getting safely, pleasantly to their destinations —completely cared for all the way by Greyhound.
