Next Three Games Elks Play Here

Baseball fans will have an opportunity to really indulge in an orgy of good baseball and shouting at the players and one another during the next three weeks when the Ashland Elks meet three different teams here on the home park.

This Sunday, June 23, the Crescent City club, as yet undefeated in league play will meet the Elks here at 2:30 p.m. The Crescent City club is tied for first place with the Medford Craters.

The following Sunday a Tri-City club will come here to play the Elks. This club is composed of players from Canyonville, Myrtle Creek and Riddle.

On Thursday, July 4, in a bang up Fourth of July celebration game, the Grants Pass club will be here.

All games will begin at 2:30 p.m. Admission will be 30c for students and men in uniform and 75 cents for adults. A loud speaker will call all plays.

Roseburg Dehors Elks, Score 6 to 0

Roseburg shut out the Ashland Elks 6 to 0 in a Southern Oregon league game played Sunday at Roseburg. This gave Roseburg its fourth straight win in league play and the top spot in league standing.

Sparer, Roseburg hurler, struck out 11 Elks allowing the Ashland nine only four hits. Jandreau, pitching for the Elks went all nine innings. The Roseburg club collected ten hits from the local boy.

Ashland's ball club looked good in the field but poor hitting showed up in the score column. Five errors were marked down

against the local nine. Batteries for Roseburg were Sparer and Huggins. Jandreau was caught by Copeland on the Ashland team.

Veterans Assured Better VA Service

Veterans in the Ashland area will receive better service from the Veterans administration in the future it was announced this week when the Veterans Administration stated that it was opening a local office in the City Hall each Wednesday.

Ellis L. White, Medford, will be here each Wednesday to help with Veteran's problems. White advised that Veterans who desired loans should go directly to a bank or other lending agency. He also stated that any queries concerning the present status of National Service (GI) Life Insurance caused by the passage of legislation in the House of Representatives should be withheld until the Senate and the President had passed on the bill.

The office here will be open from 9:00 a.m. until 5:00 p.m.

Sorry — But You'll Have to Wait . . .

THE delay in the Nation's reconversion program has resulted in an acute shortage of transformers and electrical materials—those things so necessary to bringing electricity to your home or business establishment. Increasing demand for service has depleted our reserve stocks and we must simply wait until the supply catches up with the demand. Even though power lines may be near your property it will be impossible for us to bring to you the convenience of electricity until needed materials are once again available. We are sorry that this delay is necessary; we hope it will not be long. In the meantime, we hope that you will not be inconvenienced.
