This column has done many an injustice. . . not intentionally of course . . . to some of the local citizenry.

For example. . . several months ago Mrs. Dick La Fleur and small son, Ricky departed for Horter, Georgia, where Mrs. La Fleur visited her parents, Mr. and Mrs. J. M. Wilson. Mrs. La Fleur's departure was duly noted in our columns, but since July 10, she and small son have been home in Phoenix. Yet at no time has the News acknowledged her return. . . and in an unofficial sense Mrs. La Fleur is still away on her trip that carried her to Chicago, and Florida.

Now however, we welcome her return, extend our apologies. . . and give assurances that next time we will be more than prompt . . . meaning likely we will have her returned to our community a week before her actual arrival.
