Star Dust STAGE SCREEN RADIO

By INEZ GERHARD WHEN Mark Hellinger's latest picture, "Brute Force," was shown on the coast, two young autograph hunters rushed up to Burt Lancaster, star of the film—but as he prepared to write his name, they demanded "Are you Sam Spade?" He wasn't, so they tore away, looking for Howard Duff, who is. Duff is headed for the top, what with his radio show and the fact that he is in Hellinger's next picture, "Naked City." Orson

HOWARD DUFF

Welles thought Duff as "Macduff" in "Macbeth" would be a natural, but he had to turn down that role and also one opposite Ronald Colman in "Imagination," as some of the "Naked-City" scenes were to be shot in New York.

Earl Lee, veteran radio actor recently on "The Whistler," got away with what would have been a neat trick in any other business. He portrayed a man who was murdered, later he returned to the mike and recited his own burial service!

"Philip Marlowe, Detective" has long sideburns these days, because Van Heflin, playing him on the air, is also working in a Civil War picture called "Tap Roots," and those bushy sideburns are required for the role.

"Tarzan" is celebrating his 13th screen anniversary with "Tarzan and the Mermaids," being filmed on a big scale, in Mexico City, Acapulco and Florida. Champion girl swimmers from all over the world will augment a corps of professionals who will appear as mermaids. Johnny Weissmuller heads the cast, as usual; Brenda Joyce plays opposite him again.

At a time when radio gag writers are at a premium, getting the highest salaries in radio history, David Bublick has left the Fred Allen program, to collaborate with his wife Judith on the Gabriel Heater Sunday night MBS programs. Except for his time with Allen they have been writing as a team for nearly ten years; they did "Famous Jury Trials" and "Exploring the Unknown."

Through a Paris agent Jon Hall has taken an option on two post-war, French jet planes. He will fly to Paris to inspect them as soon as he finishes his starring role in Sam Katzman's "The Prince of Thieves," at Columbia.

The most torrid romantic sequence between Ida Lupino and Dane Clark in Warner Brothers' "Deep Valley" was filmed beside a forest pool at a midwinter morning, with 20 huge electric heaters beamed on them to keep their teeth from chattering. At least, that's the story.

The ten \$50 gold pieces which Glenn Ford, as a federal judge, offers as a reward in a scene in "The Man from Colorado" have a history. Dated 1862, they were coined at the first mint in the state, and were loaned by the Colorado Historical society.

Murray L. Hitch, handsome young bus driver and ex-merchant marine, gets a film break as an actor in RKO's "Your Red Wagon." Hired to drive his company's bus for a sequence in the picture, he attracted the director's attention, got a bit of dialogue.

Just before he directed "Deep Valley" for Warners, Jean Negulesco married actress Dusty Anderson. The usual photograph of bride, groom and best man (Jose Iturbi) was sent to her relatives in Niagara Falls. They telegraphed: "We saw your husband in a picture last night, and are very glad you married such a talented pianist." The bride is still explaining.

ODDS AND ENDS—Lucille Ball and Franchot Tone are getting a romantic comedy team build-up from Columbia; their first picture on these lines is "Her Husband's Affairs." Though "Buttons," fox terrier, has just really made the grade professionally in "The Emperor Waltz," he has been knocking around Hollywood since the days of his debut in the "Our Gang" comedies. . . . A shut-in who listened regularly to Tommy Bartlett, of "Welcome Travelers," left him \$2,800 in her will. . . . Eileen Palmer, of "Road of Life," doesn't care if she never sees another beaded bag; at the age of 13 she made them, for \$3 a week!

HOUSEHOLD MEMOS by Lynn Chambers

For Real Vitality, Try a Good Breakfast (See recipes below.)

Morning Meals

Don't try to argue your family into eating a whopper of a breakfast! Make it so good and interesting that they just can't refuse it! You may have found that coaxing helps your family to eat luncheon and dinner, but as you may know, it just won't work for breakfast.

The things that do work are variety, downright good food, gay, cheerful dishes and linens, and pleasant attitudes. Of course the time element is important, and this may need a bit of working on if your folks are in the habit of sleeping until the last minute and then trying to dash off some fruit juice and coffee.

When you sit down to think about it, those five minutes extra sleep really don't make you any more rested, so get the family up early enough to eat breakfast properly. Mother can help this along by getting up and starting breakfast. The smell of pancakes or bacon plus the aroma of coffee really does help in getting the family started on their way out of bed.

Breakfast should start off with fruit or fruit juice. This not only is refreshing, but also is a good way to get started off on those vitamins and minerals for the day. Follow the fruit with cereal, prepared or cooked, and vary this from day to day. If the cereal looks a bit uninteresting, plan to serve fruit with it to add a touch of color and flavor.

Eggs are recommended for breakfast whether you have to watch your calories or boost them. But, do serve them in different ways so they always remain interesting. Then, too, you can use eggs in waffles and pancakes when real variety is desired.

Interesting breakfast breads do a lot toward making the meal one to anticipate with delight. Try a brand new coffee cake or toast some of the homemade breads for real deliciousness.

Health Bread. 1 cup sifted white flour 2 cups graham flour 1 teaspoon salt 1/2 cup sugar 1 teaspoon soda 1 1/2 cups soured milk 1/2 cup molasses

Mix together the dry ingredients. Dissolve soda in soured milk and add the molasses. Add liquids to dry ingredients and mix thoroughly. Pour into two greased pans and bake slowly in a slow (325-degree) oven for 1 1/2 hours. If desired, raisins and/or dates also may be added to the dry ingredients when a fruit bread is desired. This is delicious as toast or sandwiches.

Orange Coffee Cake. 2 cups sifted flour 1/2 teaspoon salt 3 teaspoons baking powder 1/2 cup corn syrup 1/2 cup orange juice 2 eggs, beaten 1 teaspoon vanilla 1 teaspoon grated orange rind 1/2 cup melted butter or substitute

Topping: 2 tablespoons grated orange rind 1/2 cup sugar 1 teaspoon cinnamon 1 tablespoon melted butter

LYNN SAYS: Tips to Make You An Expert Cook A quick sauce for members of the green family—such as cabbage and broccoli—is to mix 1/2 cup of lemon juice with 1/4 cup of mayonnaise and heat in the double boiler. Experiment with herbs if you want savory foodstuffs. Try a little mace in your baked squash or squash souffle; nutmeg in chopped, creamed spinach; pinch of thyme in clam chowder.

Mix corn syrup, orange juice and melted shortening and combine with sifted dry ingredients. Mix in beaten eggs, vanilla and orange rind. Pour into a greased square pan. Blend topping ingredients and sprinkle over top of batter. Bake in a pre-heated fairly hot (400-degree) oven for 30 minutes.

Oatmeal Griddle Cakes. (Makes 12 to 15) 1/2 cup flour 4 teaspoons baking powder 1 teaspoon salt 1 1/2 cups quick-cooking oats 1 egg, well beaten 1 tablespoon melted shortening 1 teaspoon molasses 1/2 cup water 1/2 cup milk

Sift flour, measure and sift with baking powder and salt. Add oats. Combine egg, shortening, molasses, water and milk. Add to dry ingredients and beat until smooth. Have griddle very hot for first baking, then reduce heat. Cook on one side until puffed and full of bubbles. Turn and cook on other side. Serve with butter and syrup.

Baked Eggs in Toast Cups. 6 slices bread 6 eggs Salt and pepper Butter

Cut crusts from bread and gently press the slices into greased custard cups. The four corners will extend to the tops of the custard cups. Break an egg into each cup. Season and dot with butter. Bake for 15 minutes in a 400-degree oven. Serve at once.

Two hearty dishes which are nice to serve for breakfast are scrapple and frizzled eggs. In the case of the scrapple, make it the night before and allow to chill before frying.

Scrapple. (Serves 6) 1 pound lean pork 1 cup corn meal 1 teaspoon salt 1 teaspoon powdered sage

Simmer pork in water until meat falls from bones. Remove meat and bones. Chill broth and remove fat. Measure 1 quart of broth, adding water, if necessary. Add cornmeal and cook, stirring frequently until thick. Grind or chop meat fine and add to cereal with salt and sage. Pack in a loaf bread pan and chill. Slice and fry.

Frizzled Eggs. (Serves 6) 1/2 pound chipped beef 2 tablespoons butter 6 eggs, beaten 1/2 teaspoon pepper 1/2 cup milk

Cook dried beef in butter until slightly crisp. Combine eggs, pepper and milk and mix well. Pour over beef and cook as for scrambled eggs. Serve garnished with toast points and parsley.

Mix your favorite jelly with honey and spread over toast. This is especially good on nut bread.

For a quick, tasty dessert, use a prepared butterscotch pudding and make it with half milk and half leftover coffee. This is really something in the way of a taste teaser. If you tend to have leftover stuffing with your fowl, after the fowl is gone, why don't you try baking the extra stuffing in a casserole and serving it topped with eggs, baked and seasoned?

Cleaning Wicker Wicker furniture can be cleaned with a brush, soap and water, or one tablespoon of baking soda to one quart of warm water, after the dust has been blown out with an automobile or bicycle pump or a vacuum cleaner. After it has been well cleaned, it can be painted or enameled. Care must be taken to work the paint or enamel into all the cracks. It is best to spray the color on the wicker furniture with a spray pump. Many prefer the stained wicker. "Peeled willow" should only be cleaned, not painted.

Propel a Street Car The first attempt to propel a street car by other motive power than horse in Connecticut occurred June 13, 1878, when a street car invented by Henry Bushnell was operated by means of compressed air motor.
