Senior Scouts To Build Club House

Work is progressing on the Senior Scout's club house which is being built at Jackson Hot springs by the Senior group. The location of the club house, which has been donated by Hans Lassen is between the new and the old highway.

The boys, under the direction of Don MacWhirter, Elk's Scout representative, are doing much of the construction and grading of the location by themselves. The building, when completed, will have a fireplace, covered porch, kitchen, and tack room.

Leaders of the group include Don Wadley and John Heilbrunner.

The Scouts are divided into two groups, the Explorer scouts and the Air Scouts. MacWhirter explained that one of the primary functions of each group was to set up an emergency corp to aid with any type of relief work. The boys are trained to handle any emergency through advanced Red Cross training.

The group is meeting each Thursday evening.

Music Association Committee To Meet

Members of the committee for sale of memberships to the Jackson County Civic Music association's 1948-49 season will meet at the home of Mrs. Robert Dodge, 160 Scenic drive, Friday evening, to plan this year's campaign.

Mrs. Dodge and Mrs. Glenn Mathews are board members from Ashland, and they mentioned that members from other years who wished to join the association should do so now as the drive will begin May 3 and end May 8. Mrs. Dodge said that people considering buying a membership should remember that usually the house is sold out before the drive ever ends.

Among the people who are on the committee to solicit memberships in Ashland are: Mrs. Matthews, Mrs. Dodge, Mrs. Ned Whited, Mrs. Susan Collins, Miss Victoria Tavener, Mrs. Walter Davis, Mrs. Eugene Bowman, Mrs. Otto Wilda, Mrs. Marjorie Barker, Mrs. Grace McCullough,

Plunges Will Open Sunshine or Snow

Owen Gragg, proprietor of Twin Plunges, who had scheduled a bang up opening for the swimming pools Saturday, stated today that the pools would be open this Saturday for either ice skating or swimming, depending on the weather.

Gragg said that if the snow continued the ice skaters could have one pool and the swimmers could chop holes in the ice of the other pool and use it for their ablutions.

He further mentioned that if the 3333 people wanted to picnic Saturday or Sunday he'd attempt to get the city or county to play the snow off from around the barbecue pits so that rain or shine, sun or snow, there'd be activity at Twin Plunges this weekend.
