Class Room Space Found at Church

Talent, August 25 — During the school year 1948-49 the east room of the Talent Methodist church will be used as a class room. The room will be equipped for class room use and lavatory and rest room facilities will be added.

Occupants of the room will be the fourth or fifth grade. Utilization of the room will do away with the need to have any half day sessions during the coming year.

Other changes in room occupancy during the coming year will be the utilization of the music room as a grade school room.

Plans are presently underway to have a conference with a school architect concerning the building plans.

A special meeting of the Community Club was held at the City hall at 1:30 p.m. Tuesday, August 24.
