**TUBERCULOSIS**

It can strike anywhere, this dread tuberculosis germ. Yet how many people, having it, know nothing about it?

The Jackson County Public health association in cooperation with state and federal agencies is making possible the detection of tuberculosis by the use of X-ray machines. These machines will be in Ashland Monday, Nov. 22, and Tuesday, Nov. 23.

Whether or not you think you have tuberculosis it would be a good idea to have this free check-up. It's safe, painless, and harmless . . . and it's free.

This annual X-ray opportunity can mean the difference between health and sickness to you and your family.

Phone 8042, now for an appointment, or drop a card to Mrs. John Cotton, 590 Mountain avenue making an appointment.

You'll find that the findings of the X-ray will be kept confidential. . . . and if you happen to have the germs of tuberculosis in your body, you will be informed of this, so that with the help of your family doctor you can conquer the disease.

**FOOTBALL**

With SOC eking out a close tie for the Far Western conference title and with Ashland High school barely getting through the season without being completely massacred, local football fans are anything but elated.

Seasons come and seasons go, so do ball clubs. The SOC club has indicated it's great potential on dry fields, but the Raiders aren't mudders. Given any kind of a dry field and a warm day the SOC club should pull into the win column Thanksgiving day when they meet the College of Idaho.

The clubs are evenly matched. It should be a good game.

The Grizzlies, on the other hand, have gone down to ignominious defeat, time after time. It is to be expected. The Ashland club plays ball teams out of its class. Once in every seven years Ashland High school will have a winning ball club. A small school, competing against larger schools can't expect to win year after year. The good and the bad must be taken together.

Give the Grizzlies time, they'll be back on top.

**SIX MAN BALL**

Give us our choice and we'd take a game of six man football in preference to one of professional football featuring the Green Bay Packers and any club of your choice.

And this year though the football team of Ashland High school didn't set the world on fire the six man football team out Talent way were pretty hot.

The Talent ball club started after the state class "B" football championship Saturday night in a game with Dufur. Final score was 46 to 26.

The Talent club scored 20 points in the fourth quarter to put itself way in the lead. At half time the score was 20 to 20 but behind the driving tactics of Don Milledge the Talent club came out on top.

The game, which was played in the Dalles, was a thriller from start to finish.

And Talent, the school nobody wanted last spring when consolidation plans were being discussed, is bringing its measure of fame to Southern Oregon.

Too bad that the consolidation of District 5 which took place last spring didn't include Talent. Ashland could have used some of those ballplayers on the Grizzly string.

**BOUQUETS**

Some of the folks who are out ringing doorbells and asking for money for the Community chest should have orchids.

Each year the same cadre of people with a few additional assistants donate their time to putting over such charitable projects as the March of Dimes, the Tuberculosis X-ray project, the Christmas seal sale, and The Community Chest.

This week the community is being offered a chance to give to the Community Chest.

Money collected this week will go to the Boy Scouts, Campfire Girls, Girl Scouts, Salvation Army, Y.M.C.A., Girls Community club, Albertina Kerr Homes, Boys' and Girls' Aid Society, Mental Health Association of Oregon, National Armed Service Program, Oregon Prison Association, Children's Farm Home, Volunteers of America Mother's and Children's Home, Catholic Child Care Agencies, and Waverly Baby Home.

In years past each of the organizations made a drive during the year. This meant that 16 times during the year people of Ashland were solicited for a good cause.

Multiply the amount of money you would give to any one of these organizations by 16 and give that amount to the Community Chest.

**NEWS from Ashland Hi**

Harry Skerry, lawyer, was the guest speaker November 15 at assembly to announce the Community Chest drive on Red Feather day, November 18. Alex Austin, Student Body president, will receive donations from students at noon Thursday.

Chairman of the Sadie Hawkins dance, Nina Graber, appointed committees to supervise that function. Chairmen are: Nancy Arney, program; Anne Williams, refreshments; Doreen Wenaus, decoration; publicity, Bill Wines; and Norman Wyers is in charge of ticket sales. The juniors will hold the dance November 19. Prizes will be awarded for the best Dogpatch costumes, and the juniors will use the money to put on the Prom.

A plan has been worked out whereby the Sadie Hawkins tradition will be carried out to the "nth degree." School will be dismissed for the boys at 3 p.m., and girls will get out five minutes later. It will be considered unsportsmanlike for a girl to ask a boy before that time. If he accepts, he has to dress as the girl asks him to. TWIRP season will be officially open for the dance. That is, The Woman Is Requested to Pay.

The Lettermen re staged their Barn Dance Monday night, from 7 to 9 in an effort to make more money. The gym was very cleverly decorated in a barn-ish atmosphere.

Student Council purchased several new record albums to have some new platters for dancing. Concessions and dances were given to various clubs for the December basketball games.

Marlen Yoder at assembly, thanked Ralph Woods and the play cast on behalf of the students and faculty for putting over a very successful Anniversary play.

Roland Parks stated that the Tuberculosis health unit will be stationed in front of the high school Tuesday, November 23, to give health examinations, and that home rooms will collect clothes for foreign children the first of next week.

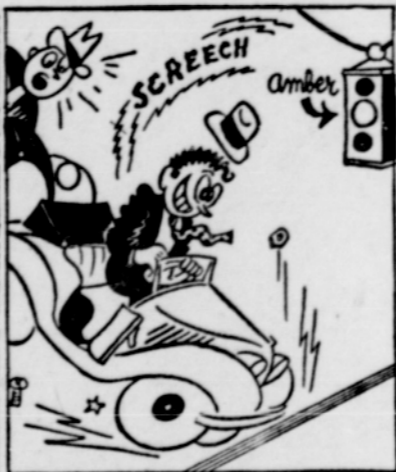

A volleyball clinic, composed of Oregon high school girls, was held at Memorial Court November 13 as SOC played host for the visiting athletes. Attending from Ashland were: Emma Redbird, Virginia Pritchard, Jerry Johnston, Viola Merwin, Betty Lou Kerby and Coach Dorothy Underkofler.

**NICHOLS INITIATED**

Oregon State College, Corvallis, November 17—Withycombe club recently initiated Donald Nichols of Ashland. Nichols, a junior in agriculture here, was one of the group of 17 students to become members.

In order to be eligible for membership a student must be enrolled in the department of animal husbandry in the school of agriculture and must be at least a sophomore.

**Do You Like To SMASH FENDERS?**

Fool the driver behind you: come up to the crossing fast when the amber light is on, then after the fellow behind has decided you're going on through stop suddenly! You'll probably smash some fenders and earn the reputation of being a discourteous driver.

But if you are a careful driver and remember the other fellow, see us for automobile insurance. The courteous driver is the careful driver.

**Raider J.V. Tops Chico State 12-6**

Courtesy of "The Siskiyou" SOC Junior Varsity defeated Chico State's "J. V's" 12 - 6 in an Armistice Day football game at Chico.

The Junior Raider's scored first on an end run by Don Campbell that netted 30 yards.

Shortly before the end of the first half, Joe Stone put the ball on Chico's one-foot line, and Doty carried it over for the six points.

Chico State instituted a barrage of passes in the third quarter that set them up for their only tally.

Chico threatened in the last period, but SOC recovered the ball on an intercepted pass. The play of the game was handled by Doty, who ran through the center of the line for 50 yards, placing the ball on the Stater's nine, but the gun sounded before another play could be run.

From where I sit... by Joe Marsh

**It's Your Fight, Too!**

Bing Crowley was "beefing" the other day about all that Our Town's doing in the way of sending food and clothes to Europe. Bing felt that those struggling democracies should look after themselves.

But most agreed with Judge Cunningham who said: "So long as any family or individual in Europe is helping hold the line for freedom—against the forces of intolerance—it's common sense, and common decency, to help 'em."

Because that's everybody's fight: To see that individual freedom is

preserved in every aspect, big or little—whether it's the right to vote, or the right to enjoy a temperate glass of beer or ale with friends.

And from where I sit, no liberty's too small to overlook. Because the minute one small freedom is threatened, all the others are in jeopardy—just as the minute one small country loses freedom, all its neighbors are in danger!
