CHURCH CLASS MEETS FOR PICNIC SUPPER

The Phoenix Homemakers class of the Presbyterian church met at the home of Mr. and Mrs. Walter Bolz Friday with about 25 attending.

The picnic supper was served on the lawn. Mr. and Mrs. Bolz served fried chicken.

Following dinner, a short business meeting was held, with Pres. Russell Thompson presiding. The class plans to gather used articles of clothing to be sent overseas for relief.

Mrs. E. J. Clark and Mrs. Russell Thompson have charge of dinner plans for the next meeting and Mrs. Ed White and Elva Caster have charge of entertainment.

The Thimble Club of the Neighbors of Woodcraft lodge here enjoyed a picnic at the home of Mr. and Mrs. Mark Hackney last Thursday. About 33 attended.

Melvin Lattie and son spent last Wednesday fishing at Rocky Point. Reports were: fishing good, catch poor.

Mr. and Mrs. Jewel Parr visited their son and family, Eaton Way, at Sweet Home. The Eaton Way's have a new daughter, Linda Susan. Mr. Way is on the teaching staff at Sweet Home, where they moved from Eagle Point. He

returned with the Parr's to attend to some business here.

Barbara Barlow has been visiting friends and relatives in Monroe.

Mrs. Joe Kantor Sr. of Fern Valley is in the Ashland general hospital recovering from an operation. She is reported doing nicely.

Mrs. W. J. Ferns and son, Billy, spent the past weekend in Portland, meeting another son, Bob Hoffman, who lives at The Dalles. They took the Columbia river drive and on their return stopped at LaPine to visit Mark Ferns and family.

When you call the family taxi, need a telephone for any reason, have you noticed one always seems handy?

"Come get us, daddy, the movie's over"

1. It doesn't just happen there's a public telephone not far away when you look for it. Locations have been carefully selected to make sure service is where it's needed most... in theatres, filling stations, drug stores, terminals. And special installations are often made to meet the needs of crowds—at conventions, fairs and the like. Today there are some 85,000 public telephones at work in the West.

2. Good service for you comes from the big job of handling millions of calls every day. But the extras mean a lot, too—like putting telephone booths in handy places. They add up to keep your service one of today's best buys.

2. More errands run, more jobs done, more time saved for you...telephone service has many duties. And public telephones make service still more valuable by putting all telephones, both residence and business, within convenient reach...no matter where you may be. More and more are going in, too...as we keep pushing our job of furnishing good, well-rounded telephone service to the West.
