

Applications Being Taken For Census Crew Leaders

Applications for the position of crew leader in the 17th Decennial Census to be conducted in April and applications for employment as enumerator are now being received by the Eugene District Office of the United States Bureau of the Census.

Final selection for the crew leader positions will be made in February after oral and written tests of candidates for the jobs, according to Ray M. Fevas, Census District Supervisor here. Approximately 22 crew leader positions will be filled. Each crew leader will have supervision over about 20 enumerators.

Qualifications required for selection as crew leader include, as a minimum, a high school education and at least three years experience in supervision or assisting in the supervision of an office force or field crew, training of subordinates, making and reviewing reports of average difficulty, and handling related assignments. In general, an applicant's record of experience must show satisfactory performance in increasingly responsible positions. College education may be counted in part in lieu of experience.

The Census Bureau further specifies that the applicant's previous employment and associations must be of such a nature that they will facilitate obtaining cooperation from respondents. Census Bureau employees are sworn to secrecy and are punishable by law for revealing confidential information but beyond this care is exercised to employ only persons who have public confidence.

Approximately 322 enumerators will be employed to take the 1950 Census in the following counties over which the local Census office has supervision: Coos, Curry, Douglas, Jackson, Josephine, Lane and Linn.

Applicants for enumerator jobs must be citizens of the United States, have a high school education or furnish evidence of comparable experience, be in good physical health and of excellent character, and between the ages of 21 to 65 although preference will be given to those between 25 to 45 years. They must have sufficient financial resources to sustain themselves for approximately four weeks from the date of appointment until their first salary check. Applicants with veteran preference who meet those requirements will be given priority over nonveteran applicants.

Applicants for enumerator jobs in rural areas must have an automobile available in good operating condition. The method of payment will provide for the cost of operating cars on official Census business.

Application forms may be obtained from the Census office located at Room 205 Armory, Eugene, Oregon. Mr. Fevas will visit each of the counties the first week in February. Exact dates for his visit to your community will be announced.

C. Ward Macy Named Dean Of Oregon Faculty

UNIVERSITY OF OREGON, Eugene, Jan. 26 (Special) — C. Ward Macy, dean of the faculty of Coe College, Cedar Rapids, Iowa, has been appointed head of the university economics department, announces Dr. Eldon L. Johnson, dean of the college of Liberal Arts.

Macy's appointment, subject to confirmation by the state board of higher education, is effective on September 1, 1950. He will succeed Calvin Crumbaker, who retires at the end of the current academic year, after 20 years at Oregon.
