LAFF LINES

Proof Enough
A visitor who was being shown over a lunatic asylum inquired of his guide what method was employed to discover when the inmates were sufficiently recovered to be discharged.

SOMETHING IN COMMON

Friend—"They say the baby looks like you."
Father—"The only likeness I can see is we're both bald-headed."

Just Routine

The young wife was heartbroken. "What's the matter?" asked a friend.
"Oh, my husband is so absent-minded. After breakfast he left a tip on the table, and when I handed him his hat he handed me another tip."

Great Expectations

The youngster had heard much about his little cousin Peter, although he had never seen him. At long last he was told Peter was coming for a visit, and he registered great excitement.

That Should Do It

"Are you saving up anything for a rainy day?"
"Yes, in a little while I expect to have enough to buy a new top for my old auto."

Cooperative

"Young man, do you think you can support my daughter on \$40 a week?"
"I'm willing to try, sir—if that's the best you can do."

ETIQUETE

Couldn't Miss

"At last," said the novelist, "I have written something that will be accepted by any magazine."
"WHAT IS IT?" asked a friend.
"A check for a year's subscription."

Knew What He Wanted

"Your hair wants cutting badly, sir," said a barber insinuatingly to a customer.
"No, it doesn't," replied the man in the chair; "it wants cutting nicely. You cut it badly last time."

THAT STOPPED HIM

Boy: "Say, whatever became of those old-fashioned gals who fainted when a boy kissed them?"
Gal: "Huh! Whatever became of the old-fashioned boy who made them faint?"
