

4-H Youth Raise 8 Million Birds In Poultry Program

Based on the increasing popularity of the National 4-H Poultry Achievement program, 4-H'ers should top their last year's record of raising a total of 8,000,000 chickens, turkeys, ducks and geese. Likewise the enrollment figure is expected to pass the 150,000 mark reached in 1949.

County Extension Agents and local 4-H Club leaders work with the youth, instructing them in newest methods and approved practices used in poultry and egg production. Members are encouraged to carry out the six main objectives of the program which briefly are: learn the place of poultry in the economy of the farm; acquire skill in poultry raising; assist in production of eggs and fowl to provide adequate supplies for food; appreciate the nutritive value of eggs; learn to grade and market poultry products; study scientific developments and apply the knowledge to home flock production.

The 4-H'ers carefully keep records showing production of birds and eggs, and also general achievements in other phases of Club work. At the end of the year these records are judged for special honors which will again be provided by Dearborn Motors, program sponsor. Five sterling silver medals will be presented to winners in each county; a trip to the National 4-H Club Congress in Chicago for the state winner; and college scholarships of \$300 each to the 10 national champions.

The program is under the direction of the Cooperative Extension Service.

CLASSIFIED

KODAK FILMS - developed by Portland's oldest mail order firm. Eight ex. roll developed and one print each 25c. Two prints each 35c. Reprints 3c each. Mail films now or drop card for free mailing envelopes. Portland Film Co. Box 4361X Portland 8, Ore.

3 Killed, 307 Hurt In Car-Bicycle Mishaps In '49

Bicycle - motor vehicle collisions killed three riders and injured 307 others in Oregon last year, most of them children the state traffic safety division has reported.

Records show that the majority of such accidents stem from the bicycle rider's carelessness or disregard for fundamental traffic rules, the division said. Oregon law requires bicyclists to observe the same traffic laws as motor vehicle drivers, except those regulations which by their very nature cannot apply.

Despite the law, the division emphasized that motorists must not expect children riding bicycles to display the same degree of judgment and responsibility as adult automobile drivers. "Expecting the unexpected," it was pointed out, will help to offset a child bike rider's unpredictability in traffic.

Parents were urged to make sure their children know and follow these rules:

1. Keep bicycle to the far right of the street and ride with traffic.
2. Ride in a straight line without weaving or stunting.
3. Ride single file.
4. Do not carry passengers on bicycles.
5. Unless essential, do not ride at night. If you must, have a good light and reflector.

their Major League play Monday night by tossing a 3-1 win at the Oak Street Tankers, winners of the league for the second half. Marshall Wells, winners of the first half of the split season took a 3-1 beating from the Ashland Cabinet makers. Crowson tossed in a 221 for high single game and added to it games of 191 and 200 for a 612 and high series.

Marshall Wells and the Tankers will battle it out for league representative in the city play-offs of the three leagues on the Ashland maple lanes Thursday night.

Girl Scout News

According to local Girl Scout leaders, the cookie sale now in progress is showing great success as the girls work to raise funds for the Lake-of-the-Woods summer camp and for their own troops.

Patricia Tuman was elected president of Talent troop 69 last week and selected to assist her were Joyce Atkins, vice-president, Maxine Carter, treasurer, and Janet Joanis, scribe. Invective services were held at the same time for Maxine Carter and Kathleen Kerns. Two patrols selected as their leaders Ruth Peterson and Cora Mae Gliem.

Outdoor work and plans for the Talent fly-up ceremonies are keeping the girls of troop 66 busy. Their regular weekly meeting was postponed so they could sell cookies.

The new assistant to troop 106, Mrs. Harvey Brown was introduced to replace Mrs. Elmer Ayers. The troop joined other Brownies at the Briscoe gym Tuesday where Mrs. H. B. Cook, field director, taught several new songs and singing games.

Cookie salesmanship was practiced by troop 63, who also took part in the instruction at Briscoe school.

A mother-daughter tea is being planned for April 24th by the girls of Troop 86. A special guest at a recent meeting was Mrs. Layton Schell who read the girls a letter from a French Girl Guide and told of the work of this organization and of the Chateau dating back to 1600, in which they meet. Mrs. Schell taught her interested audience several French phrases.

The Walker Brownie troop finished their cookie sale last week and instead of their regular meeting attended the instruction sessions at Briscoe school on Tuesday.

Dick Westerfield, Ashland Rec. Pace Local Bowlers

Dick Westerfield, lead-off man for the Ashland Royal Crown team, rolled into second place in the Southern Oregon Bowling meet at Medford with his 652 last Sunday afternoon. First spot, with 673, went to Walter Schindlund of Crescent City. Schindlund also took the all-events with 1850.

In team events the Ashland Recreation Center team took second place in the Ladies' section of the tournament.

Two Ashland men's teams, Royal Crown and Wiley - Reinholdt, failed to place in the team events which offered five places.
