British Protest Strongly On Pocahontas Grave Issue

LONDON. - A strong protest against the proposed destruction of St. George's church in Gravesend, where Pocahontas was buried 231 years ago, was recorded in The London Times.

Pocahontas is the Indian Princess who saved the life of Capt. John Smith.

County planners have proposed the church be torn down to facilitate the reorganization of Gravesend parishes.

"At a time when we are sup- posed to be doing our utmost to at- tract American visitors, it seems singularly shortsighted and delib- erately to destroy a building which, if its existence were better known, would probably draw them to Gravesend in large numbers," wrote John Underwood in a letter to The Times.

And in any case, Underwood added, St. George's is worth pre- serving for its architectural merit. Pocahontas, with her husband, John Rolfe, and their son, was one of the first American visitors to England in the 17th Century.

Shortly after she and her hus- band had sailed on their return voyage to Virginia in March, 1619, Pocahontas became ill. She was taken ashore at Gravesend, where she died. She is commemorated in St. George's by a tablet unveiled by Walter Hines Page, then United States ambassador, in 1914.

Surgical Sponges

Accidents can sometimes bring surprisingly good results. As a result of a laboratory accident, a new cotton gauze for surgical use was discovered. This cotton gauze is used for surgical sponges which may be sewed up inside a wound. The specially treated cotton dis- solves in the body without harm and also has the valuable surgical property of stopping bleeding.

Horse Injuries

Horses running in pasture should be checked frequently for the con- dition known as scratches under their fetlocks. Symptoms are cracks in the skin similar to wire cuts and swelling of the fetlocks. In treating, all scabs should be cleaned away and a drying ointment applied each day.

Asthma Sufferers— Now You Can Get Blessed Relief!

If you are periodically the victim of choking, gasping, wheezing brought on by attacks of Asthma you can get lasting relief from the famous new B.T. Formula recently developed by a leading physician. B.T. Formula is a liquid medicine taken internally, that circulates through the blood and reaches all the bronchial tubes, re- moving the cause of strangulation, the thick mucous and brings clear free breathing. By regularly using B.T. Formula you can bring almost complete freedom from the fear of Asthma spasms as B.T. Formula al- ways and lessens the severity through scientific chemical action. Send \$5.00 —check or money order to B. T. Products Co., 1200 Burlingame Ave- nue, Burlingame, Calif. Your B.T. Formula will be mailed postpaid— satisfaction guaranteed or money cheerfully refunded.
