

Here's a way to stretch your Christmas money and please your friends at the same time! The cigarette smokers on your list will welcome a carton of cool mild Camels. And to the pipe smokers and men who "roll their own"—give a one pound tin of Prince Albert Smoking Tobacco. When you give Camels or Prince Albert you're giving the very best in smoking enjoyment. Mild, full-flavored Camels are made of the world's choicest tobaccos, expertly blended—a good reason why more people smoke Camels than any other cigarette! And mellow Prince Albert is America's largest-selling pipe tobacco. What's more, both Camels and Prince Albert are already gift-wrapped in gay, red and green packages. All you do is fill in your personal greeting on the built-in card. No fuss. No bother. Save time, save energy, save money. Give Camels and Prince Albert—the perfect Christmas gifts for smokers!—Adv.

Without Painful Backache  
As we get older, stress and strain, over-exertion, excessive smoking or exposure to cold sometimes slows down kidney function. This may lead many folks to complain of nagging backache, loss of pep and energy, headaches and dizziness. Getting up nights or frequent passages may result from minor bladder irritation due to cold, dampness or dietary indiscretions.  
If your discomforts are due to these causes, don't wait, try Doan's Pills, a mild diuretic. Used successfully by millions for over 60 years. While these symptoms may often otherwise occur, it's amazing how many times Doan's give happy relief—help the 15 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!
