adapt themselves through life's changes will find promising opportunities and chances to shine.

■ **Metal Monkey:** Your professional life will see a boost this year, so long as you don't let your pride get in the way of completing tasks that you see as beneath you. If you persevere, you will find yourself calling the shots before too long.

■ **Water Monkey:** Socially, Water Monkey, you should have a rewarding year, provided you bring your

sensitivity and compassion to bear so as to not hurt the feelings of friends and loved ones who are going through difficult times. In turn, you will find that they are sensitive to your needs as well.

■ **Wood Monkey:** Your financial outlook in the new year looks promising, but be sure not to overspend on big-ticket items. You may experience buyer's remorse when the reality of the objects don't live up to your expectations.

■ **Fire Monkey:** You may be in danger of overreaching yourself and falling short of goals. Combat this by being brutally honest with yourself about your limits and set yourself up for success by choosing attainable goals. Experience and knowledge gained by this process will help you shoot for the stars when you are ready.

■ **Earth Monkey:** Spending time with friends and loved ones is essential to your wellbeing in the Year of the Horse. Don't be afraid to ask for help when needed. Not only will you receive it, but the act of reaching out will strengthen relationships.

The Rooster

There's a fast-paced Horse Year in store for the Rooster. The key to riding it out is to stay organized and be fully prepared to meet any challenges the Horse may throw at you. Roosters who are able to stay ahead in this fashion will find themselves with much to crow about.

■ **Metal Rooster:** Your attention to detail and organizational skills will be your strongest tools in achieving goals this year. Be sure to pay attention when opportunity comes knocking,

as it may require a quick reaction to take advantage.

■ **Water Rooster:** Stay vigilant of your long-term goals when making decisions, Water Rooster. If you are shortsighted, you may never reach the finish line.

■ **Wood Rooster:** Keep on top of your income in relation to your expenses. Neglect in this area may find you up to your beak in debt.
