The Rat

The Year of the Sheep is shaping up to be another tough one for the Rat, but hard work and perseverance will bring improved fortune for the smart rodent. Though the ovine year may prove challenging,

elusive rewards will greet those Rats who can rise to the occasion and remain focused on success.

Metal Rat: While you enjoy buying the finer things in life, Metal Rat, take care to curb your spending in the

Year of the Sheep. Squirreling away a nice nest egg will pay off in the long term and peace of mind will be an added benefit. Be extra cautious of risky investments this year as well.

Water Rat: Loved ones may fall short of expectations this year, Water Rat, but keep in mind that compassion and leading by example will go much further than unconstructive criticism in improving the situation. The rocky year may find you in need of support in turn.

Wood Rat: Your desire to travel the world might best be put off until another year, Wood Rat, with all the challenges the Year of the Sheep may bring. Instead, satisfy your urge to explore by finding undiscovered destinations close to home. You may be surprised at the wonders you find!

Fire Rat: Working hard is key to riding out the lows of the Year of the Sheep, but your passion and drive may lead you to overdo it. Try a new hobby, spend time with family and friends, and give yourself a break when needed. This will help keep you performing at your peak.

Earth Rat: You crave security, Earth Rat, and

The Ox

The Year of the Sheep promises to be a roller coaster for the steady Ox. Changes galore will confront you, and a wise bovine should remain flexible and learn to embrace the wild ride. Such changes will help you grow and improve, if you don't dig in your hooves to fight them.

Metal Ox: Making a budget and sticking to it will help prevent financial woes this year. With a careful eye on spending, you may even find that with all the hard work you put in during the year, you have accumulated a nice surplus by the time the Year of the Monkey begins.

Water Ox: The Year of the Sheep may bring conflict in its wake in your home or professional life. Draw upon your innate abilities to compromise and the trouble will soon smooth itself out.

Wood Ox: Think outside the box, Wood Ox, and apply your creativity when difficulties arise. Your innovative solutions will draw positive attention your way and may lead to unexpected opportunities.

Fire Ox: Your protective nature may lead you to take on a loved one's burdens. Take care not to give too much of yourself, or you will both suffer. Charge ahead with any travel plans you may have, as time spent away will bring increased energy to better deal with life's challenges.

Earth Ox: Give yourself permission to start a new project this year, Earth Ox. Though it's in your nature to stick to the familiar, stretching yourself can lead to great opportunities.

The Tiger

The Year of the Sheep is looking mighty good for the Tiger. This is especially true for felines who are smart enough to pounce on new opportunities as they arise.

Indecisive and lazy cats may find themselves missing out on great fortune.

Metal Tiger: Your professional life is looking rosy, Metal Tiger, provided you can tame your aggressive nature when needed and handle more delicate matters

with velvet paws instead. Your forbearance will be noted and, along with your hard work, will lead to an improved position.

Water Tiger: Use your excellent judgement to good advantage in the Year of the Sheep, and keep a sharp eye out for opportunities others might not see. Trust yourself to know when the right one appears.

Wood Tiger: Listen to constructive criticism from trustworthy sources, Wood Tiger, and act accordingly. Though it may sometimes feel personal, the wise words will help lead you to a better path.

Fire Tiger: Carpe Diem, Fire Tiger! The coming year is shaping up to be a great time to take on additional projects or invest in yourself with further education or training. Your extra efforts will be noticed and rewarded accordingly.

Earth Tiger: The year promises to be a bountiful one for you, Earth Tiger, so why not give something back to the community by volunteering? The satisfaction this brings will have you purring with happiness.

The Rabbit
