REQUEST FOR BIDS

**METRO
GENERAL CONTRACTOR
FOR FABRICATION AND
INSTALLATION OF OREGON ZOO
CAMPUS WAYFINDING**

RFB 3080

The Oregon Zoo, a Department of Metro, a metropolitan service district organized under the laws of the State of Oregon and the Metro Charter, located at 600 NE Grand Avenue, Portland, OR 97232-2736, is requesting sealed bids for a General Contractor for Fabrication and Installation of Oregon Zoo Campus Wayfinding at the Oregon Zoo.

Sealed bids are due no later than 2:00pm, Pacific Time on November 19, 2015, in Metro's business offices at 600 NE Grand Avenue, Portland, OR 97232-2736, Attention: Karen Slusarenko, RFB 3080.

A voluntary Pre-Bid Conference is scheduled for all potential prime and sub-contractors on November 3, 2015, at 10:00am in the Skyline Room of the Cascade Crest Banquet Center at the Oregon Zoo, 4001 SW Canyon Road, Portland, Oregon (no admission required). Interested sub-contractors are also invited.

Work consists of directional and informational signage that will guide visitors around the Oregon Zoo. For a large and complicated campus such as the zoo, a well-planned and designed wayfinding system is critical for visitor orientation and comfort. This wayfinding system must be simple and prominent, as it will compete for attention with other signage. It is imperative that wayfinding be consistent throughout the zoo.

The General Contractor for Fabrication and Installation of Oregon Zoo Campus Wayfinding will be responsible for managing and overseeing this project from inception to completion.

All bidders submitting a bid for public improvements over \$50,000 certify that they will pay and comply with the minimum prevailing wage requirements of ORS 279C.800-279C.870 and if applicable 40 U.S.C.276a.

Bids can be viewed and downloaded from the Oregon Procurement Information Network (ORPIN), at <http://orpin.oregon.gov/open.dll>.

Metro may accept or reject any or all bids, in whole or in part, or waive irregularities not affecting substantial rights if such action is deemed in the public interest.

Metro extends equal opportunity to all persons and specifically encourages minority, women-owned and emerging small businesses to access and participate in this and all Metro projects, programs and services. Metro Code provisions 2.04.100 and 200 require all Bidders to follow and document a specific good faith outreach effort to State-certified Minority, Emerging and Women-owned Businesses. Certification of good faith compliance and a declaration of any actual utilization pursuant to both programs are required at the time of Bid Opening.

Metro and its contractors will not discriminate against any person(s), employee or applicant for employment based on race, color, national origin, sex, sexual orientation, age, religion, disability, political affiliation or marital status. Metro fully complies with Title VI of the Civil Rights Act of 1964 and related statutes and regulations in all programs and activities.
