## Welcome the Year of the Rooster!

**THE ROOSTER STRUTS IN.** A girl shows two pieces of chocolate in the shape of a rooster on a street in Zhaoping County, in southwest China's Guangxi Zhuang Autonomous Region, in this February 7, 2005 file photo. As the Lunar New Year draws near, rooster-shaped food and adornments become popular among customers. The coming year is the Year of the Rooster, which was last celebrated 12 years ago, in 2005. On January 28, 2017, people around the world will mark the beginning of the Lunar New Year and welcome the Year of the Fire Rooster. Fire Roosters are people of action who tend to be highly motivated, focused, strongly principled, and persuasive. The Asian Reporter's special section in celebration of the Lunar New Year begins on page 11. (AP Photo/Xinhua)
