

# Year of the Rooster forecasts

Continued from page 18

restless, Water Dog, take care not to act rashly. Make a plan for a soft landing spot before jumping ship; meanwhile, you may see your current situation improve.

■ **Wood Dog:** You may find yourself dragging due to the demands of the Rooster Year, Wood Dog. Engaging in exercise or making time for recreation will help increase your stamina and strength and decrease your stress level to make for a much more pleasant year.

■ **Fire Dog:** Though the year will have its ups and downs, socially you are flying high. People find you especially fetching in the coming months, thanks to your magnetic personality. You may find it worth your time to pursue relationships with those who spark your interest.

■ **Earth Dog:** You have a strong moral compass and an outspoken nature. Use these assets to speak out against any injustice you witness. Your bark can be a strong one in making the world a better place.

## The Pig

After a tough 2016, you should find much improvement in the Year of the Rooster. But your fortunes will depend on you individual effort. Productive Pigs will find themselves reaping rewards for their labors, while lazier ones will be left wanting.

■ **Metal Pig:** Keep from becoming ensnared in the problems of others. While lending a sympathetic ear to another's troubles is admirable, becoming embroiled in their drama is another thing altogether and will only lead to headaches.

■ **Water Pig:** In the relative quiet of the Year of the Rooster you will have a clear head, making it an ideal time to re-evaluate goals and create new ones. Consider making changes in areas that make you unhappy and start taking steps to make it happen.

■ **Wood Pig:** Be cautious about the opinions of others. Check to be sure there is not an ulterior motive before accepting their advice, as they may be interested in their own advancement, which could be to the detriment of yours.

■ **Fire Pig:** Keep plugging away to achieve your goals, Fire Pig! While you may feel, despite increased efforts, that you are running on a treadmill and not making progress, in truth you are gaining valuable experience and knowledge and are poised to make great gains in the future.

■ **Earth Pig:** You may feel an increased stability in 2017. Take advantage by working on your relationships. Finding mutually enjoyable activities is a great way to have open and direct communication while having fun.
