## Takuma Sato's dream comes true at the Indy 500

**SPEEDY SATO.** Takuma Sato of Japan celebrates winning the Indianapolis 500 auto race at Indianapolis Motor Speedway in Indianapolis, Indiana. Asian athletes have made inroads into many different professional American sports, but open-wheel racing has not been one of them. That is, not until Sato won the Indy 500, the quintessentially American racing event. The former Formula One driver created a thrilling finish, winning just his second IndyCar race on a track he's had a special connection with for a long time. See story on page 7.
