THE CANCER PROJECT

Finally!

A prescription with side effects you want.

Blueberries and red beans, just a few of the many foods rich in antioxidants, are powerful remedies in the fight against cancer. Research shows that fruits, vegetables, and other low-fat vegetarian foods may help prevent cancer and even improve survival rates. A healthy plant-based diet can lower your cholesterol, increase your energy, and help with weight loss and diabetes. Fill this prescription at your local market and don't forget—you have unlimited refills!
