Indonesian choreographers provide digital stage for dancers

ARTISTIC OUTLET. Indonesian dancer Nala Amyrtha performs during a video recording for the Saweran Online program on the Indonesian Dance Network YouTube channel, at EKI Dance Company studio in Jakarta, Indonesia. Two Indonesian choreographers are helping fellow dancers who lost their jobs due to the novel coronavirus outbreak in the country by setting up a YouTube channel as a platform where dancers, choreographers, and dance teachers can perform, then receive donations from viewers.
