Wear it for each other

Face coverings are a way we support each other — like holding a loved one's hand when crossing the street or sharing an umbrella in the rain.

Wearing a face covering is one of the best ways we can protect our families, coworkers, neighbors and friends from COVID-19.

Let's wear it today to ensure safe, strong days ahead.

Use a face covering if you

- Need to go out in public
- Don't have symptoms and are taking care of a person who might be sick
- Are coughing or sneezing
- Make it out of household items or common materials (save N-95 or surgical masks for medical personnel!)
- Throw the face covering away (or wash if reusable) as soon as it is damp
