HERE'S WHY ANT GROUP IS ABOUT TO SHATTER IPO RECORDS

RECORD-BREAKING IPO. A figurine of the Ant Group's mascot is seen on display at the Ant Group office in Hong Kong. China's Ant Group is trying to raise nearly \$35 billion in its initial public offering in Shanghai and Hong Kong, which would make it the largest share offering in history. Alibaba-affiliated Ant Group, which operates a suite of financial products — including the widely-used Alipay digital wallet in China and one of the world's largest money market funds — will hold dual listings in Shanghai and Hong Kong.
