TRILLIUM FAMILY SERVICES IS HIRING!

We are guided by the simple yet crucial mission of building brighter futures with children and families. Our vision is to create safe communities where children are healthy, and every family has the opportunity for success. Families get the support they need – when and where they need it. There is a focus on prevention and health; organizations and systems are connected in a synergistic sanctuary community that generates: Non –violence, Growth and Change, Democracy, Emotional intelligence, Social learning, Open communication, and Social Responsibility. Our investment in the future of each child means that the next generation of Oregonians will have the skills to contribute meaningfully through employment, community service, and raising their own healthy families. At TFS we believe that every child and family can have a brighter future, through the love we bring together we can make this possible. There is so much need for mental and emotional support at all levels of our communities.

To take a behind the scenes look our programs please visit our website at www.trilliumfamily.org.

Worksystems is hiring an SQL DEVELOPER

Worksystems is an award-winning nonprofit organization serving Multnomah and Washington counties and the City of Portland whose mission is to build and invest in a comprehensive workforce development system that supports individual prosperity and business competitiveness. We offer excellent compensation and benefits and an innovative work environment.

Join Worksystems and make a difference!

The SQL Developer is responsible for using their knowledge of programming languages to design database applications. Duties include collaborating with the Information Systems team to understand needs and requirements, coding, and testing to ensure functionality and updating database applications to refine components like cybersecurity measures and data storage capacities. The position reports to the Director of Information Systems and takes technical direction from both the Database Administrator and the Information Systems Business Analyst.

NOTE: Due to COVID, we are currently working from home. It is anticipated that this position will be full-time remote, however some travel or in-person meetings may be required. Must be a resident of Oregon or Washington. Worksystems is a federal/state contractor. As such, we are subject to vaccine mandate(s) and follow the CDC guidelines for public health emergencies. Proof of being fully vaccinated in a requirement of employment.

Application instructions:

Please submit a cover letter, résumé, and three professional references to: hr@worksystems.org

See our website for qualifications, desired skills, and a full job description:
www.worksystems.org

Position is open until filled.

First review of résumés is January 3, 2022.
Salary Range: \$76k – \$115k - Exempt Status
