COVID-19 boosters work fast.

When you receive a booster dose, your immune system responds and antibody levels are boosted within 2-3 days.

Protect yourself and your loved ones from serious disease from the Omicron variant by getting a booster when you're eligible.

Children 6 months through 4 years are now eligible for a COVID-19 vaccine.

These COVID-19 vaccines are safe and effective. If you have questions, talk to your health care provider (or call 211).

THE CANCER PROJECT

Finally!
A prescription with side effects you want.

Blueberries and red beans, just a few of the many foods rich in antioxidants, are powerful remedies in the fight against cancer. Research shows that fruits, vegetables, and other low-fat vegetarian foods may help prevent cancer and even improve survival rates. A healthy plant-based diet can lower your cholesterol, increase your energy, and help with weight loss and diabetes. Fill this prescription at your local market and don't forget—you have unlimited refills!

For a free nutrition booklet with cancer fighting recipes, call toll-free 1-866-906-WELL or visit www.CancerProject.org
