## Hong Kong pet rabbits enjoy bunny resort while owners away

**BUNNY BLISS.** A rabbit enjoys its playtime at the Bunny Style Hotel in Hong Kong on January 18, 2023. With the lifting of COVID restrictions, Hong Kongers are travelling again and some of those who keep rabbits as pets are booking them into a rabbit resort where they are fed, exercised, and pampered with spa treatments. The Lunar New Year of the Rabbit is shining a particular spotlight on the popularity of the animals in the crowded city of tiny apartments. See story on page 2. (AP Photo/Anthony Kwan)
