## Japanese surfer nears 90 and talks of catching waves at 100

**SMALL-WAVE SURFER.** Seichi Sano, an 89-year-old Japanese man, rides a wave at Katase Nishihama Beach in Fujisawa, south of Tokyo, on March 30, 2023. Sano, who turns 90 later this year, has been recognized by the Guinness World Records as the oldest male to surf. He lives about 20 minutes from Yokohama and gets out most weekends on the black-sand beach near Enoshima, the small island that hosted sailing events for the recent Tokyo Olympics, and was the harbor for the 1964 Games. See story on page 20. (AP Photo/Eugene Hoshiko)
