 The entertainment given by the Oasis Lodge No. 41, I. O. O. F., and Evergreen Rebekah Lodge, No. 42, Saturday night was well attended. Grand Master J. W. Welch, of Astoria, was present and delivered an address on Odd Fellowship, which would have been listened to more patiently and better appreciated had it been briefer and more to the point. An elegant repast was partaken of after the address.
 Lucillus Lodge No. 52, Knights of Pythias, celebrated their 37th anniversary last Thursday evening. A nice program was rendered. Rev. Sibert was chosen to deliver the address, but owing to illness of his wife was unable to be present. Mr. J. D. Hamlin, the present Chancellor, delivered a short address on Pythianism. After the program was rendered, a banquet was served in the banquet hall. About 75 people were present.
 Probably the most jubilant man in town, when he heard last Sunday morning who had been elected Senator, was Col. F. W. Folsom. He whooped and "hollered" and his eyes fairly sparkled with delight when told of the result. The Colonel has taken a deep interest in the contest, and has been a Mitchell man all the way through. Every day about 11:30 a. m. he came down town and remained until he received the result of the vote. His faith in the final triumph of the Mitchell forces never wavered.
 L. B. Moore, who has been station agent here for several years, went to Roseburg Friday to accept the position of Trainmaster and Station Agent at that place, vice George Estes, who goes to San Francisco as Permanent Chairman of the Order of Railway Telegraphers. Mr. Moore will be greatly missed by his many friends, especially his brother Odd Fellows, in which Order he took a deep interest. The BULLETIN wishes him success in his new position. Mr. Mark Montgomery, of Salem, takes Mr. Moore's place. Mr. Montgomery used to be night operator at Junction about four years ago. He is well liked by all who know him, and the public will find him gentlemanly and obliging.

HOW IT IS DONE.

The first object in life with the American people is to "get rich;" the second, how to regain good health. The first can be obtained by energy, honesty and saving; the second (good health), by using Green's August Flower. Should you be a despondent sufferer from any of the effects of Dyspepsia, Liver Complaint, Appendicitis, Indigestion, etc., such as Sick Headache, Palpitation of the Heart, Sour Stomach, Habitual Constiveness, Dizziness of the Head, Nervous Prostration, Low Spirits, etc., you need not suffer another day. Two doses of the well-known August Flower will relieve you at once. Go to Mueller & Hill and get a sample bottle free. Regular size, 75 cts. Get Green's Prize Almanac.
