CATARRH

Catarrh has become such a common disease that a person entirely free from this disgusting complaint is seldom met with. It is customary to speak of Catarrh as nothing more serious than a bad cold, a simple inflammation of the nose and throat. It is, in fact, a complicated and very dangerous disease; if not at first, it very soon becomes so.

The blood is quickly contaminated by the foul secretions, and the poison through the general circulation is carried to all parts of the system.

Salves, washes and sprays are unsatisfactory and disappointing, because they do not reach the seat of the trouble. S. S. S. does. It cleanses the blood of the poison and eliminates from the system all catarrhal secretions, and thus cures thoroughly and permanently the worst cases.

Mr. T. A. Williams, a leading dry-goods merchant of Spartanburg, S. C., writes: "For years I had a severe case of nasal Catarrh, with all the disagreeable effects which belong to that disease, and which make life painful and unendurable. I used medicines prescribed by leading physicians and suggested by numbers of friends, but without getting any better. I then began to take S. S. S. It had the desired effect, and cured me after taking eighteen bottles. In my opinion S. S. S. is the only medicine now in use that will effect a permanent cure of Catarrh."

SSS is the only purely vegetable blood purifier known, and the greatest of all blood medicines and tonics.

If you have Catarrh don't wait until it becomes deep-seated and chronic, but begin at once the use of S. S. S., and send for our book on Blood and Skin Diseases and write our physicians about your case.

"Johnny," said the little fellow's mamma, "I want to give you a piece of cake, but I can't find the key to the pantry." "That's all right, mamma," replied bright little Johnny; "I know how to get it without a key." "That's all I want to know," she said, as she reached for the slipper.—Boston Courier.

'What are you doing?" asked one of his friends who had happened in. "I am writing my resignation," replied the professor of something or other in the proprietary university. "What are you doing that for?" "Because I am going to make a speech this evening in which I shall probably express an independent opinion."—Chicago Tribune.

"Take my seat, madam." She took it. About ten minutes later she remarked: "Thank you, sir. I would have said it sooner, but the last man I thanked for giving me his seat in a crowded car had only got up because he wanted to get off the car, and felt that he had won my gratitude under false pretenses. I made up my mind I wasn't going to let it happen again." "Don't mention it, ma'am," responded the man clinging to the strap.

IN BED FOR YEARS

DECLARED A HOPELESS INVALID BY LEARNED PHYSICIANS.

Restored to Perfect Health and Strength by Dr. Williams' Pink Pills for Pale People—A Most Wonderful Cure.

From the Press, Grand Rapids, Mich.

Of the many remarkable cases which have recently occupied the attention of the medical world and of the public at large, none more strikingly illustrates the wonderful power of Dr. Williams' Pink Pills for Pale People than the recovery of Mrs. Jennie Tuttle, who, after two years' confinement to her bed, was restored to perfect health and strength. Mrs. Tuttle, who lives at the corner of Fulton and Market streets, Grand Rapids, Mich., tells the following story:

"I had been flat on my back in bed for two years and the doctors had given me up as a hopeless case. They had resorted to every remedy known to the profession and had even subjected me to the tortures of five surgical operations. My trouble was due to change of life and I grew weaker and weaker until I became helpless and unable to leave my bed. A nurse and four physicians attended me.

"One box of Dr. Williams' Pink Pills for Pale People gave me great relief and after using them for three months I was a well woman, having been able to leave my bed the sixth week after commencing the treatment. I can state that the cure was complete and permanent as it is now three years since I used them.

"I have recommended the pills to several of my relatives. My mother-in-law who is 72 years old, took them for general debility, and they soon produced a very marked improvement in her condition. I wish that the thousands of women who are afflicted as I have been may know of this remedy which has saved my life and given me health and strength."

Signed, MRS. JENNIE TUTTLE.

Subscribed and sworn to before me this 2nd day of August, 1900.
