The Reid cream separator seems to be a favorite. At the Creamery they have a Sharpless and a Reid separator on exhibition all the time, but as fast as the Reid is unpacked and set up for inspection some one buys it, while the original Sharpless is still there.

J. H. Miller invites the people of Junction and vicinity to call and see the new 1901 Rambler bicycles. If you are thinking about buying a wheel, it will pay you to look at the Rambler before you make a purchase. Just notice the number of these wheels in use. That is the best advertisement it can have.

**"Put Me Off at Buffalo"**  
Are the words of an old song. They come into great play in 1901, for the whole world, or that portion of it known as Oregon (even the delegates from the Oregon Press Association to the National Editorial Association, who are generally supposed to be from another and better world) will travel to the Pan-American Exposition by the Northern Pacific route, which runs the finest equipped coaches over the best road-bed in the Northwest. It must be a peach of a road, for its stock rose to \$1000 per share of \$100 on the New York Stock Exchange the other day. For information in regard to rates, etc., address A. D. Charlton, Assistant General Passenger Agent, Portland, Or.

A number of the young friends of Miss Edna Houston, tendered her a farewell party Saturday night prior to her departure for Heppner. Those present report an enjoyable time.

G. C. Millet says there is more corn being planted in this section of the valley by 200 per cent than was ever planted before. He says that the reason is that a large number of silos will be put up this fall, and the farmers want corn for silage.

**A Great Hosiery Offer Direct from the Mills.**

The old maxim, "The proof of the pudding is in the eating," applies as well to the wearing qualities of our hosiery. Once worn and you will wear them always. An exceptional trial offer that every reader of this paper should take advantage of and test the remarkable wearing qualities and superior finish of our high-grade hosiery. We will, on receipt of 25c in silver and the name of your local dealer, send direct to you from the mills, postage paid, 4 pair of our finest high grade latest style Empire brand ladies' or children's hose, or men's half hose, in black, tan white or the fashionable fancy solid colors, or the latest combination silk embroidered polka dots, electric stripes, or silk clocking on side, in fancy open work, plain, or drop stitch style, in French lisle thread, balbriggan, silk finish mace, or cashmere, with full finish elastic top and our patent reinforced silk and linen knit seamless, double sole, toe and high-speed double heel. They save damage and are guaranteed to give three times as much wear as any other hosiery. The same in children's, with elastic top, double knee, sole, heel and toe, plain or ribbed, fine, medium or heavy quality, guaranteed fast color, and warranted not to crack. The retail value of these hose is 25c per pair. We will not send more than 4 pair of each ladies' or children's to one person. A trial wear of these will convince you of their merits. For 50c we will send, postpaid, one trial pair of our ladies' fine silk hose, in shades of pink, gold, white, black, blue, cardinal or lavender. This is a special trial offer. If you are not satisfied with them after trial wear we will refund your money. If you are pleased with them and wish more, insist on your local dealer procuring them for you, and insist on him getting our Empire brand hosiery. Write us today, mentioning this paper, as this offer is limited. A beautiful little booklet, telling how our hosiery is made, mailed free to you on request. Address this way, EMPIRE KNITTING MILLS, 106 and 108 Fulton st., New York City.

A revival meeting will commence in the Methodist Church on Sunday, May 19, and for two weeks thereafter, under charge of Rev. R. S. Marshall, of Oakland, Calif. All pastors in and about this city, and all the people are cordially invited to enjoy and aid in these services.

A letter purporting to have been dictated by Bob Ingersoll at his fire-tinted apartments in hades, and directed to Mr. Dowie, a fake healer of Chicago, among other interesting news, has the following: "I have shaken hands with Tommy Paine and Voltaire, and they seem to be very pleasant gentlemen. Said they had watched my career for some time and were expecting me daily. Ben Franklin called on me this morning. He is wearing his hair short, and has stopped inventing stoves. He is organizing a stock company for the manufacture of ice. Of course, the 'trust' is with us down here, too. Solomon and Brigham Young have cornered all the women."

If this last information prove true the brave men of this heroic age will band together h—, no, hados bent, with the view of bursting that "trust"—for what is home without another-in-law?

W. L. Wright has a new stock of wall paper of the latest and prettiest designs. Now is the time to repair your house. J. H. Miller will be glad to have you call and see these new patterns. No matter what your taste, you should be able to choose something to suit from among so many beautiful patterns.
