### A Great Hosiery Offer Direct from the Mills.

The old maxim, "The proof of the pudding is in the eating," applies as well to the wearing qualities of our hosiery. Once worn and you will wear them always. An exceptional trial offer that every reader of this paper should take advantage of and test the remarkable wearing qualities and superior finish of our high-grade hosiery. We will, on receipt of 25c in silver and the name of your local dealer, send direct to you from the mills, postage paid, 4 pair of our finest high grade latest style Empire brand ladies' or children's hose, or men's half hose, in black, tan white or the fashionable fancy solid colors, or the latest combination silk embroidered polka dots, electric stripes, or silk clocking on side, in fancy open work, plain, or drop stitch style, in French lisle thread, balbriggan, silk finish maco, or cashmere, with full finish elastic top and our patent reinforced silk and linen knit seamless, double sole, toe and high-splined double heel. They save darning and are guaranteed to give three times the wear of any other hosiery. The same in children's, with elastic top, double knee, sole, heel and toe, plain or ribbed, fine, medium or heavy quality, guaranteed fast color, and warranted not to crock. The retail value of these hose is 25c per pair. We will not send more than 4 pair of each ladies' or children's to one person. A trial wear of these will convince you of their merits. For 50c we will send, postpaid, one trial pair of our ladies' fine silk hose, in shades of pink, gold, white, black, blue, cardinal or lavender. This is a special trial offer. If you are not satisfied with them after trial wear we will refund your money. If you are pleased with them and wish more, insist on your local dealer procuring them for you, and insist on him getting our Empire brand hosiery. Write us today, mentioning this paper, as this offer is limited. A beautiful little booklet, telling how our hosiery is made, mailed free to you on request. Address this way, EMPIRE KNITTING MILLS, 106 and 108 Fulton st., New York City.

The Weekly Oregonian and the Bulletin for \$2 a year.

A domestic problem, which war department officials will try to solve before Congress meets, is how to make the National Guard of the several states a working auxiliary of the regular army in time of war, in such a way that the cumbersome red tape method, followed when the members of the National Guard became U. S. Volunteers for the war with Spain, may be avoided without offending the principles or prejudices of those who are sticklers for the rights of the states in all dealings with the Federal Government. It is not an easy task, but those who are charged with the duty of considering it, are hopeful of success. All those interested will have ample opportunity to be heard before any plan is settled upon by the War Department, as it is the desire of the department that a plan be reported to Congress which will arouse no serious opposition.

W. L. Wright has a new stock of wall paper of the latest and prettiest designs. Now is the time to repaper your house. J. H. Miller will be glad to have you call and see these new patterns. No matter what your taste, you should be able to choose something to suit from among so many beautiful patterns.
