CROP REPORT.

The United States weather bureau reports the conditions of crops in Oregon, which in part, says:

Droughty conditions continue in portions of Southern Oregon. The temperatures have averaged about 6 deg. cooler than usual, and cloudiness has also been somewhat greater than is customary at this season of the year. The maximum temperatures during the week in Western Oregon ranged between 59 deg. and 76 deg., and the minimum temperatures between 40 deg. and 56 deg.

Haying has been delayed by showery and cloudy weather, and some clover lying on the ground has been injured, but most of that cut has been safely housed. A big crop of timothy hay is now ready to cut, but the farmers are waiting for warmer, sunshiny weather before beginning its harvest. The first crop of alfalfa has been secured and the yields averaged about the same as last year. Fall grain is ripening fast, and the harvest of barley and rye will begin next week. Fall wheat in the Willamette valley is generally in a promising condition. The grain aphid has made its appearance in considerable numbers in Clackamas, Marion, Polk and Yamhill counties, but they do not seem to be doing much damage. Spring wheat is heading nicely and fall oats are especially promising. In Eastern Oregon wheat is generally doing well, but the winds have been rather too strong in Umatilla county, and although they have been drying winds, and it is feared some slight damage has been done.

THE HOME GOLD CURE.

IS INGENIOUS TREATMENT BY WHICH DRUNKARDS ARE BEING CURED DAILY IN SIGHT OF THEMSELVES.

NO NOXIOUS DOSES—NO WEAKENING OF THE NERVES—A PLEASANT AND POSITIVE CURE FOR THE LIQUOR HABIT.

It is now generally known and understood that drunkenness is a disease and not weakness. A body filled with poison, and nerves completely shattered by periodical or constant use of intoxicating liquors, require an antidote capable of neutralizing and eradicating this poison, and destroying the craving for intoxicants. Sufferers may now cure themselves at home without publicity or loss of time from business by this wonderful "Home Gold Cure" which has been perfected after many years of close study and treatment of lubricates.

The faithful use according to directions of this wonderful discovery is positively guaranteed to cure the most obstinate case, no matter how hard a drinker. Our records show the marvelous transformation of thousands of drunkards into sober, industrious and upright men.

Wives cure your husbands! Children cure your fathers! This remedy is in no sense a nostrum, but is a specific for this disease only, and is so skillfully devised and prepared that it is thoroughly soluble and pleasant to the taste, so that it can be given in a cup of tea or coffee without the knowledge of the person taking it. Thousands of drunkards have cured themselves with this priceless remedy, and as many more have been cured and made temperate men by having the "Cure" administered by loving friends and relatives without their knowledge in coffee or tea, and believe today that they discontinued drinking of their own free will. Do not wait. Do not be deluded by apparent and misleading "improvement." Drive out the disease "improvement." Drive out the "Home Gold Cure" is sold at the extremely low price of one dollar, thus placing within reach of everybody a treatment more effectual than others costing \$25 to \$50. Full directions accompany each package. Special advice by skilled physicians when requested without extra charge. Sent prepared to any part of the world on receipt of one dollar. Address Dept. E622, Edwin B. Giles & Company, 2539 and 2532 Market St., Philadelphia.
