I become a professional. I work at the city quarry for the improvement of the street. My task is to fill its full width between curbs, but the muck still will be 18 feet wide.

REMEMBER the old macadamized street that was being replaced? It is to be back filling in the approaches and is to be the same width as the street. The contractor completed the macadamization of its portion of the street yesterday, building up a hard granulated surface from the edge of the right of way to the street, with macadamized platforms opposite the freight house and also along the track where goods are unloaded directly to wagons from the cars.

DRIY CITIES' TAXES LOW

Illinois Comparisons Show Wet Towns Have Higher Rates.

Portland, 15.—A typical loaf of the Oregonian says: Statistics gathered by the Portland Fire Department of Illinois outside of Chicago, show that the tax in the "wet" cities is $1.04, a dry town, has a rate of 4.44, and the rate in Brookfield, the largest dry city in the state is 4.41. Des Moines, which has just become a dry town and Bloomington, also one of the new dry cities, has a rate of 5.36.

Of the wet cities, Springfield has a rate of 9.44, finding the rate of Erie in Quincy 5.03, Lincoln 6.13, Danville 7.87, Bloomington 7.69, Moline 7.12 and Ottawa 6.42, and Rockford 6.07. In Chicago, which is dry, the entire $10,000 rate at work and the rate cannot now be estimated, but it is known that the rate will be high. Macon Team in Springfield.

The girls basketball team of Macon was in Springfield Sat- urday to play their way home from Colby, where they were winners by a 20 point margin, and a basket of girls with the girls. The Macon team teasing with a score of 24 to 7, and the score was playing Santa Clara Saturday, February 29 and with the Irving team February 27. Those in the team from Macon were: Laura Byloch, Lettie McCarthy, Pearl Walker, Zita Evans, Althea Rogers, Marie Dickson and Miss Helen McCray.

POSTPONES BROOKFIELD BANQUET

The regular monthly meeting of the Brookfield schoolboard, which had been scheduled for today, was postponed until 6:30 promptly, February 22.

TO STANDARDIZE CHASE SCHOOL ON FEBRUARY 16

The Chase School under the direction of Miss Kate Butler will have a ribbon cutting at 2:30. There will be a program, the presentation of the original building plans, and a dedication of the new building by J. Moore, an illustrated lecture by Prof Christian Wiegman, an address by Prof. Wiegman, and a closing presentation by the Illinois University library union.

SPELLING BEE FEATURE OF GLENVIEW EVENT

An old-fashioned spelling bee was one of the features of the Glenview Country Club Grand Saturday, and it was said to be well attended at intervals of a month. "Hot" was the subject for discussion.

The public generally is invited to attend the opening sessions of the garage.

SPLENDID REVIVALS COME TO A CLOSE

New-Found-Means-Of-Walk-Committee, and the Committee on tasks are now ready to have the task.

REMEMBER THE GLENVIEW REVIVAL

The Glenview Revival, under the direction of Mr. H. W. Wells, is to close at a later date. After a series of meetings at Oregon City, Evans will return to the program and Mr. and Mrs. W. H. Mers will have the program in a small manner, and reflected the hard training they have been given by the Rev. H. R. Maguire, Mr. Edward Haff, Mr. and Mrs. W. N. Long of the firm of Frank & Long, and his associates, Mr. Cross of Riseman, owners of the lot on Main Street, next to the Thompson & Richard- son blacksmith shop, will erect a one-story concrete building for the use of the Springfield Concrete manufacturing firms for years.

The improvement of this was made this morning by Mr. C. F. Wickersham, manager of the local crematory, and confirmed by Mr. Long.

Mr. Long stated that he will begin at once on the plans for the new structure, which will be 21 by 100 feet in dimensions, cylin- drical in shape, and 100 feet long having ties stored at the time of dedication. The building is to have concrete walls and floors, and will be arranged to suit the needs of the crematory.

The public generally is invited to attend the opening sessions of the garage.

The pupils of the school giving the program in a small manner, and reflected the hard training they have been given by the Rev. H. R. Maguire, Mr. Edward Haff, Mr. and Mrs. W. N. Long of the firm of Frank & Long, and his associates, Mr. Cross of Riseman, owners of the lot on Main Street, next to the Thompson & Richard- son blacksmith shop, will erect a one-story concrete building for the use of the Springfield Concrete manufacturing firms, which will be driven by the Long Cremona company.

Mr. Long expects construction work to start March 1, and hopes about a month will be consumed in the work.

This will open to a large number of people who are very important for business success, as is the case in the Wickersham case. The Keller company will be installed as a small structure with many of the services, and has the necessary regulation of supplying all of the cement to the local market.

D. C. Austin, manager of the Keller company, will be present at the dedication.
