

I WAS USING THE REAL TOBACCO CHEW

THAT'S WHAT HELPED YOU MAKE A RECORD RUN

THE GOOD JUDGE CONGRATULATES THE ENGINEER

THE taste you get from "Right-Cut" is the real tobacco substance—full and rich.

"Right-Cut" is the Real Tobacco Chew—a new blend of mellow, sappy leaf, seasoned and sweetened just enough.

One ten-cent pouch of "Right-Cut" lasts longer than twice the money will buy in the old kind.

Take a very small chew—less than one-quarter the old size. It will be more satisfying than a mouthful of ordinary tobacco. Just nibble on it until you find the strength chew that suits you. Tuck it away. Then let it rest. See how easily and evenly the real tobacco taste comes, how it satisfies without grinding, how much less you have to spit, how few chews you take to be tobacco satisfied. That's why it is The Real Tobacco Chew. That's why it costs less in the end.

It is a ready chew, cut fine and short shreds so that you won't have to grind on it with your teeth. Grinding on ordinary candied tobacco makes you spit too much.

The taste of pure, rich tobacco does not need to be covered up with molasses and spices. Notice how the salt brings out the rich tobacco taste in "Right-Cut."

One small chew takes the place of two big chews of the old kind.

SELLS-FLOTO-BUFFALO BILL SHOWS ARE TO EXHIBIT IN EUGENE

The circus is coming; coming with its wagons of gilt and glitter, with its strange animals, with its beautiful women on horseback and everything else that goes to make up a wonderful, happy day beneath the great spreading tents. Wednesday May 19 there will arrive in Eugene the Sells-Flota Circus and Buffalo Bill's Original Wild West for one day's exhibition, afternoon and night.

Many features with the circus this year, principally among which are Col. William Frederick Cody (Buffalo Bill) with his entire retinue of Indians, riders ropers, cowboys, cowgirls, rangers, soldiers and vaquers; and Rosa Rosalind, the Maid of Mystery. Never in the history of America has there been an equestrienne like Rosa Rosalind. One after another she turns air-sets, "flipflops" and somersaults upon the back of a plunging horse until it is almost impossible for the eye to follow her.

Then, too, there are many other features to be seen with the big show this year, Captain Recardo and his lions, Lucia Zora and her three herds of performing elephants, Devlin's Zouaves, the forty clowns, Rhoda Royal and his horses, and hundreds of acrobats, aerialists, contortionists and tumblers.

The price of the circus this year? The same as ever a general admission of 25 cents, including a seat. Two performances are to be given, one at 2:15 in the afternoon and the other at 8:15 at night. Doors will be opened an hour earlier.

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by systematic treatment. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a running sound or imperfect hearing, and when it is entirely closed, deafness is the result, and this tube is restored to its normal condition, hearing will be restored forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness caused by catarrh that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

ROSE FESTIVAL PORTLAND OREGON JUNE 9 10 11 1915

Portland's 1915 Rose Festival has a unique poster—the most artistic ever used and it is the work of an Oregon boy, Fred G. Cooper, now one of the world's foremost artists. His father, J. C. Cooper, of McMinnville, Oregon, wrote the winning slogan, "The Whole World Knows the Portland Rose." At his father's personal request young Cooper donated the poster to incorporate the slogan. Portland has co-operated with Seattle, Tacoma, Walla Walla and Spokane in securing conventions that will bring more than 250,000 visitors to Washington and Oregon.

INDUSTRIAL NOTES

Oregon Voter—Physical valuation of railroads as a basis for rate-making is costing the government \$15,000,000 and the railroads \$35,000,000, according to Senator Weeks. About the time this money is spent the valuations will be stale and some bright mind will discover that physical valuation really isn't the right basis for figuring rates. The whole performance is simply \$50,000,000 added to the high cost of government by well meaning men who itch to regulate.

The governor of Idaho may call a special session to enact a state-aid plan for constructing railroads.
