

Don't Ask Us to Recommend A Patent Medicine

If a defect or a diseased condition exists, take your trouble frankly to a reputable physician. He is the only one who can help you, and what ever his charge may be, it will be less in the end than the price of the disappointment, suffering, humiliation, sorrow or failure you may otherwise have to pay.

The young ladies of the G. T. club enjoyed a basket picnic in Hendricks park, on the hills between Eugene and Springfield yesterday afternoon and evening. Miss McHenry was a guest of the club, and the following members attended: Miss Alice Kester, Miss Florence Coffin, Miss Olive Smith, Miss Anna Young, Miss Ella Young, Miss Marian Harper, and Miss Edna Swarts.

Miss Metta Nixon, a popular Springfield girl, became the bride of Sarga B. Sneed, Sunday evening July 18th, at the First Christian church of Springfield.

The soft strains of Mendelssohn's wedding march were rendered by Miss Amy Carson.

The bridal procession was led by the bridesmaid Miss Evelyn

Barkman and Mr. Thurman Riggs, followed by Miss Nell Nixon, sister of the bride and maid of honor, and Mr. Fenner Travis.

The bride entered on the arm of the groom. Her dress was old ivory duchess satin, with overdress of silk chiffon and pearl trimming. The bridal veil was fastened with a wreath of lilies of the valley and her bouquet was a shower of bride's roses and ferns.

Miss Evelyn Barkman's dress was of pale blue silk crepe de chene with bodice of all-over lace.

The bride's sister, Miss Nell Nixon's dress was rose pink messaline with bodice of white silk marquisette and Irish point lace.

The church was artistically decorated in white and green with a background of ferns and margarites and brides roses.

The bridal party stood under an elaborate arch of white carnations and bride's roses.

Rev. McGee of Eugene, performed the ceremony in an impressive manner, after which the bridal party departed for their home on Emerald Heights.

Mrs. Noel notices a number of decided improvements in Springfield since leaving two years ago, when they sold the flour mills. Mr. Noel, who had been in poor health for some time, died one year ago.

Deafness Cannot Be Cured
by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.
We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.

HE used to switch tobacco every few weeks. Then a friend let him try the Real Tobacco Chew. Steady user now—and swears by the Real Tobacco Chew.

Quite the regular thing. A man is so glad he found it that he just naturally passes the word along to other men who chew. A little chew of pure, rich, mellow tobacco—seasoned and sweetened just enough—cuts out so much of the grinding and spitting.

THE REAL TOBACCO CHEW IS NOW CUT TWO WAYS!! W-B CUT IS LONG SHRED. RIGHT-CUT IS SHORT SHRED.

Take less than one-quarter the old size chew. It will be more satisfying than a mouthful of ordinary tobacco. Just take a nibble of it until you find the strength chew that suits you, then see how easily and evenly the real tobacco taste comes, how it satisfies, how much less you have to spit, how few chews you take to be tobacco satisfied. That's why it costs less in the end. The taste of pure, rich tobacco does not need to be covered up. An excess of licorice and sweetening makes you spit too much.

One small chew takes the place of two big chews of the old kind.

Notice how the salt brings out the rich tobacco taste.
