# Memory Expert to Come to Springfield

Geo. C. Blower, of the Cromwell School of Memory to conduct a short course in Memory Training in Springfield to run in conjunction with the classes now being conducted in Eugene.

## WHAT MR. BLOWER DID IN EUGENE

He committed to memory the last semi-annual report of the Clerk of Courts of Lane County, covering over Seventy Departments and Items involving Hundreds of Thousands of Dollars down to odd cents.

He memorized long lists of numbers and words fired at him in rapid succession in demonstrations given in the Lane County Court House, in the leading Banks and Department stores, and before college and teachers organizations.

HE GIVES INSTANTLY THE POPULATION OF ANY CITY IN THE UNITED STATES

# HE CAN BUILD YOUR MEMORY SO THAT IT WILL NEVER FAIL

ARE YOU ABLE to recall Names, Faces, Dates, Telephone and Street Numbers?

CAN YOU remember the facts in a book, quotations and other things you read?

DO YOU INSTANTLY recall important business and professional facts and memoranda?

CAN YOU speak in public without the use of notes, and be sure of what you want to say when you want to say it?

If you cannot answer 'yes' to all of these questions your natural memory is in need of training; if you can you have a remarkable memory worthy of higher developments under the Cromwell course in memory training.

The simple and efficient system of the CROMWELL SCHOOL OF MEMORY will stop mind wandering, give power of observation, make you concentrate and strengthen your will power.

The Cromwell School of Memory Training has just completed classes in several Oregon cities, including The Dalles and Hood River. These classes were composed of the leading Bankers, Lawyers, Doctors, Merchants, City and County Officials and business men and women. All the students highly endorse the system and several have given testimonials that the FIRST LESSON alone was worth several times the tuition fee for the entire course.

Several business and professional men and women have already enrolled in the class here in Springfield. The work will start next week and will be personally taught. No study outside of class. No books. This is NOT a correspondence course. Work absolutely guaranteed. Separate classes for men and women. Private instruction included.

Cut out and mail.

Dear Mr. Blower:

I am interested in knowing more about your course in Memory Training. Kindly have your representative call and see me.

Mr. Geo. C. Blower, The Dalles, Oregon.  
Dear Sir:—It may be that you will be interested in having a written statement as to what your memory course has done for me at mastering insurance tables.

It has enabled me in a few minutes time to do what it ordinarily took a month. I have no difficulty in remembering faces, facts, dates and quotations. In public speaking it has benefited me wonderfully. I record things in my head that took note books before. I would not have missed your work for many times more the price it cost and can recommend it to any person who is trying to increase his efficiency.  
Yours very truly,  
H. C. POWNALL,  
Chief Clerk.

Mr. Geo. C. Blower,  
Cromwell School of Memory, Portland, Ore.

Dear Sir:—I am writing this letter to you to let you know how satisfied I am with your course and to tell you about some of the facts it has already done for me.

In the first place I have never been able to remember names of people to whom I am introduced. Last Sunday I was at Hood River and met a crowd of eight men about one o'clock. Shortly after meeting them I went into the country for the rest on the afternoon and did not see one of them until I went to take the train home that night. Just before the train started I bid each man goodbye in turn and had no trouble in remembering all but one by name.

In remembering prose and poetry writings, numbers formulas and addresses I consider the system taught in this course as one of the greatest assets that a man can have.
