Oregon Day at Exposition most distinguished representative, the governor, and, inci-

dentally, they will get to shake hands with the president of the Exposition and others next to him in official rank. When the shadows have fallen and the Exposition buildings and grounds have taken on the iridescent glow that makes this a dream city, a fairy land, the California building will be the scene of a grand ball at which the Governor and other Oregon representatives will be guests of honor. Gentlemen in full dress and ladies in "creations" will trip the "merry ha-ha" and the revelry will continue until exhaustion and the dawn of another day demand a cessation.

All in all, Oregon Day will be some large occasion, and during the entire time Governor Withycombe and his party are here there will be things doing calculated to be of special interest to Oregon people. At the Oregon building there will be as much social activity as the Governor will stand for, and in every way possible, effort will be made to bring Oregon to the forefront. Crowds of Oregonians here will help very materially and those who delay their visit for the two weeks of which October 30 is the center will find much of interest extraordinary at the Exposition. October 21 ushers in Horticultural week, which will be a hummer, and at the same time the fall flower show will be under way. The stock show will be in full blast until the middle of November, and November 2 is San Francisco day. The latter is certain to bring a crowd of 300,000 and the greatest day of

special events and festivity of the Fair period. The weather continues perfect, and those who know San Francisco best say that "settled" weather may be counted on until near December.

Bill Boards

Offer one of the big means of advertising, but they lack the ability to get into the homes of the buyers. That is where the Lane County News goes twice each week with its big budget of Springfield News. Tell your story of bargains in The News and get results.

Job Printing

The law requires that all butter offered for sale shall bear the name and address of the make and weight of the package. Writing these by hand is too slow; get them printed on vegetable parchment with special non-oil ink. 100 for \$1; 200 for \$1.35; 500 \$2.40.

The letter head, envelope and statement are the means by which the business man visits his customers. Neat printing raises the estimate the recipient has of the business house. Let the News Printery work out a catchy letter head design for you.

The News has just designed an envelope with a concise resume of Springfield's advantages. There is ample space for the address and for the return card, and the extra cost is nominal.
