Why Not Patronize the Busses?

A few people are prejudice against the Busses. Why should they be? Some say the busses pay no tax. Did you ever stop to think how much the busses are saving the people of Springfield? Suppose the two busses take in \$12.50 each, that is \$25 a day. Now six days in a week at \$25 a day is \$150, and 52 weeks in a year is \$7,800. That is what the busses are saving for Springfield. The people of Springfield are saving more than the busses make.

If the two busses take \$25 a day at 5 cent fares, the people of Springfield save \$25 a day clear. But the busses have all kinds of expenses such as oil, gasoline, wages, etc., to take out of the \$25 they take in. What company pays the city as large a tax as that? Figure it up for yourselves. The motor-buss has come to stay—if we lose out some one else will take up the same business.

Would also like to state that the busses do not belong to any religious organization or any church or anything of the kind, as many people think, you can find the owners on the busses at all times.

JUST THE RIGHT PRESENT

Don't take chances in the matter of Christmas presents. You don't want yours, like so many others, to be received with indifference or worse, and ten days after Christmas to be cast aside and forgotten.

You take no such chance in giving The Youth's Companion for a year. Did you ever know of a home in which it came amiss, or of one in which it was not conspicuous on the library table or in some one's hands all through the year?

It is worth while to make a gift of that sort, and it is worth while to receive it, too, for The Companion illustrates the best traits in American life in its stories and sketches, upholds the best standards in its articles and other contributions, and combines the practical and informing with the entertaining and blood-stirring.

If you do not know The Companion as it is to-day, let us send you one or two current issues free, that you may thoroughly test the paper's quality. We will send also the Forecast for 1916.

Every new subscriber who sends \$2.00 for the fifty-two weekly issues of 1916 will receive free all the issues for the rest of 1915 and The Companion Home Calendar for 1916.

YOU bet the cops are wise to the little chew that satisfies—with a nibble of the Real Tobacco Chew tucked into their cheeks they are happy on their beats. No bunches to disfigure the face. The little chews mean the pouch lasts a long time and saves coin.

A little chew of pure, rich, mellow tobacco—seasoned and sweetened just enough—cuts out so much of the grinding and spitting.

ASK YOUR DEALER FOR W-B CUT CHEWING TOBACCO. IT IS THE NEW REAL TOBACCO CHEW—CUT LONG SHRED.

Take less than one-quarter the old size chew. It will be more satisfying than a mouthful of ordinary tobacco. Just take a nibble of it until you find the strength chew that suits you, then see how easily and evenly the real tobacco taste comes, how it satisfies, how much less you have to spit, how few chews you take to be tobacco less in the end.

The taste of pure, rich tobacco does not need to be covered up. An excess of licorice and sweetening makes you spit too much.

One small chew takes the place of two big chews of the old kind.

Notice how the salt brings out the rich tobacco taste.

There is only one right way to learn how to raise poultry, and make it pay from the start, and that is to learn from experts who have been through it all.

This is exactly the kind of instruction the International Correspondence Schools offer you. This is NOT a book scheme, but a home Course of practical lessons, representing the lifelong experience of the most successful poultry raisers in the world.

The Course includes everything pertaining to successful poultry raising: How to select most profitable breeds; feeding; marketing eggs and poultry for profit; natural and artificial brooding; natural and artificial incubation; laying hens; combination plant; poultry appliances; enemies of poultry; diseases of poultry; poultry houses and management; turkeys; water fowls; squabs; etc., etc.

What makes the Course particularly valuable is the fact that the I. C. S. is associated with the largest poultry farm in the world—the celebrated Ranocas Farm, at Brown's Mills, In-the-Pines, N. J., famous for its fine Ranocas Leghorns and D; Y-OLD-CHIX, and where 30,000 eggs are marketed every week.

The I. C. S. has spent thousands of dollars in preparing this Course—the only one of its kind—a Course that you can master and apply in your own home, whether you live in the city, suburbs, or country, and that equips you to handle a few hens or manage a large poultry farm.

This Course will help you just as the many other I. C. S. Courses have helped thousands of men and women in other walks of life.

The attached coupon will bring you descriptive circular of this great Poultry-Raising Course. Fill it in and mail it today.
