

Nov. 29 to Dec. 4 Electrical Prosperity Week

WHAT IS ELECTRICAL PROSPERITY WEEK?

Many people are asking "What is Electrical Prosperity Week—what will be done during that week?"

Louis D. Gibbs, a man prominent in the electrical industry, has probably given the best answer. His definition is as follows:

"Electrical Prosperity Week is a nation-wide opportunity for everyone to get acquainted with the new and up-to-date uses of electricity in home, store or factory. Every possible form of advertising is being used to attract the attention of the people to this week, and to prompt them to ask questions about electricity and about electrical appliances. The field is one of remarkable opportunities, and the inquirer is bound to be made enthusiastic by what he learns.

"Everyone connected with the business in any branch is ready to answer questions, and people need not be afraid that they are going to be pressed to purchase something, simply because they ask a question and show an interest in electrical appliances.

"The wonderful developments in the uses of electricity have come along so rapidly that it has been absolutely impossible to keep the people informed. National advertisers, electrical appliance dealers and central station companies have not been able to keep pace with the growing interest.

"The Society for Electrical Development has undertaken to get all of the people in the electrical field telling what they know about its many things of interest to the public and talking all at the same time.

"It will also mean a "Shop Early" opportunity. Electrical Prosperity Week will be observed from November 29 to December 4, inclusive. That is exactly three weeks before Christmas and thousands of people will welcome the opportunity to see electrical appliances under the most favorable conditions, make their selections and perhaps have their gifts wrapped up and ready for delivery in ample time."

COUNCIL DECLINES TO CONFIRM

store and that Mr. Calkins had had charge of the warehouse end of the business at that time. He suggested that perhaps some of the liquor had been taken to the room over his store when the space in the warehouse was needed. He suggested, too, that Mr. Calkins may have had authority from the district attorney to remove the liquor, and it was finally decided to ask Mr. Calkins to appear before the council and state his side of the case.

The mayor stated that he did not wish to insist upon the appointment of anyone who would not make a good officer.

Mr. Peery withdrew his motion to confirm the appointment and Mr. Fischer withdrew his second to the motion.

The matter of a city attorney was taken up.

The mayor stated he did not wish at this time to make an appointment, believing that it was not necessary to have an attorney.

Councilman Fenwick took issue with him, and cited the session of the night before when the attorney was called upon unexpectedly to draw the resolution fixing the tax levy.

Mr. Coffin stated he did not believe the city could dispense with an attorney, as there are two cases now pending in the state supreme court.

After further discussion, a motion prevailed to reduce the pay of the city attorney to \$25 a month and that Mr. Bower be employed to represent the city in the supreme court in the two pending cases at not to exceed \$35 each, provided he is not appointed as city attorney.

Mr. Bower's resignation, offered the week before, was taken up, and a motion not to accept it was carried, Peery voting no.

A question was raised as to whether or not Mr. Bower would continue after that day as attorney for the town. The mayor held that his term expired at midnight, at the time the terms of the other appointive officers expired, but some of the councilmen held that the attorney continued until his successor was appointed and confirmed. No decision was reached on the point, and the council adjourned until the regular meeting of

ARGUMENTS BEING HEARD

(Continued from page 1)

"4. The defendants have not violated the Pacific railway laws by discrimination against the Union Pacific.

(Mr. McClennan at this point did not specify the Pacific railroad laws, but the reference was to the acts of Congress under which the Central Pacific and Southern Pacific were built.)

"5. The two lines were built and extended as one property.

"6. The United States is estopped from this litigation by its conduct in the settlement of the Central Pacific debt.

"7. The government is also estopped by the decree in the Union Pacific merger case.

"8. The government is barred by the statute of limitations."

Mr. McClennan then began his argument against the contentions of the attorneys for the railroad.

Mr. McClennan quoted testimony of various railroad officials to show that the Great Northern, the Northern Pacific, the Oregon Short line and the Western Pacific were not vital competitors for California business.

The Southern Pacific has declared a dividend of \$1.50 per share on common stock, that is at the rate of 6 per cent. This is welcome news for everybody in the state of Oregon for no industry spends money faster than a railroad when it is prosperous.

Strahorn's railroad in eastern Oregon has been promised the financial support of prominent men in Oregon.

Palmer Lumber Co., of La-Grande has awarded logging contracts totaling 11,000,000.

Wells Fargo Nevada National bank see prosperity in the enlarged buying of railroad supplies and the resumption of improvements work by various transportation systems.

Grants Pass—Rails are being laid on the new railroad up to the foot of Hays hill.

The Willamette Pacific Bridge across Coos Bay is finished.

St. Helens Shipbuilding Co. asked to bid on five 5,000 tank vessels for eastern firm.

Roseburg—Catholics will enlarge church at cost of \$7,600.
