### MUST HUSTLE TO WIN THE PIANO

acter in the doing. Every one of these contestants, who have been working for the prize, will be the better for the effort, even though there is only one piano and only one who can get it.

Who is to be the one? That is to be the momentous question. Do they at times see a vision of the dray stopping at their door, the men unload, tramping into the house with the beautiful instrument, the remark of their prowess and endeavor. How much interest did you take in such a dream? Have you not dreams of your own? And how would you feel to have them realized? Don't you think you would have very much the same feeling could you in some way assist or have assisted in the realization of some such laudable ambition?—Try it and see. Put forth the effort. Bear in mind some of the contestants whom you would like to see a winner and then go out and work.

When one can play it, all within reach of its sweet sound are benefitted thereby.

Remember that eight of our leading merchants are interested in this contest and give 25 vote coupons with every dollar's cash purchase to those who ask for them.
