THE GOOD JUDGE HEARS STATEMENTS OF FACT BETWEEN STRANGERS. YOU'LL find some things out about real tobacco when you get to using W-B CUT Chewing. A little bit hides away in your cheek unnoticed and gives two-for-one more satisfaction than a wad of ordinary stuff. Men get to calling it the gentleman's chew because it don't disfigure the face and cuts down grinding and spitting. A 10c pouch lasts twice as long as a dime's worth of ordinary chew. Give W-B CUT the quality test. Made by WEYMAN-BRUTON COMPANY, 50 Union Square, New York City
