Sawyers of Portland and Ben Brook of Astoria.

True economy is what we save in the long run. The wise man feeds his colt to make it grow. He pastures his cow to get a good flow of milk and paints his house to make it last. It costs very little more now to paint a house than it did a year ago. Probably not more than \$2.00 on an average. Make your home beautiful with the best paint on the market—Phoenix Pure Paint, Guaranteed. Sold by J. C. Holbrook.

FINE WATCH REPAIRING
A SPECIALTY

Prince Albert gives smokers such delight, because

- its flavor is so different and so delightfully good;
- it can't bite your tongue;
- it can't parch your throat;
- you can smoke it as long and as hard as you like without any comeback but real tobacco happiness!

On the reverse side of every Prince Albert package you will read:
"PROCESS PATENTED JULY 30th, 1907"

That means to you a lot of tobacco enjoyment. Prince Albert has always been sold without coupons or premiums. We prefer to give quality!

PRINCE ALBERT
the national joy smoke

in goodness and in pipe satisfaction is all we or its enthusiastic friends ever claimed for it!

It answers every smoke desire you or any other man ever had! It is so cool and fragrant and appealing to your smokeappetite that you will get chummy with it in a mighty short time!

Will you invest 5c or 10c to prove out our say-so on the national joy smoke?

R. J. REYNOLDS TOBACCO CO., Winston-Salem, N. C.

YOU'LL find a cheery howdy-do on top no matter how much of a stranger you are in the neck of the woods you drop into. For, Prince Albert is right there—at the first place you pass that sells tobacco! The toppy red bag sells for a nickel and the tidy red tin for a dime; then there's the hand-weighed pound and half-pound tin humidor and the pound crystal-glass humidor with sponge-continuar tip that keeps the tobacco in each hand-up trim all the time!

TOBACCO IS PREPARED FOR SMOKERS UNDER THE PROCESS DISCOVERED IN MAKING EXPERIMENTS TO PRODUCE THE MOST DELICIOUS AND WHOLESOME TOBACCO FOR CIGARETTES AND PIPE SMOKING.

PROCESS PATENTED JULY 30th 1907

R. J. REYNOLDS TOBACCO COMPANY Winstonsalem N.C. U.S.A. DOES NOT BITE THE TONGUE

This is the reverse side of the Prince Albert tidy red tin. Read this "Patented Process" message—try and realize what it means in making Prince Albert so much to your liking.
