Catarrh Cannot Be Cured

with LOCAL APPLICATIONS, as they cannot reach the seat of the disease. Catarrh is blood or constitutional disease and in order to cure it you must take internal remedies. Hall's Catarrh Cure is taken internally, and acts directly upon the blood and mucous surfaces. Hall's Catarrh Cure is not a quick medicine. It was prescribed by one of the best physicians in the country, and is a regular prescription. It is composed of the best tonics known, combined with the best blood purifiers, acting directly on the mucous surfaces. The perfect combination of the ingredients is what produces such wonderful results in curing catarrh. Send for testimonials, free. F. J. CHEENEY & CO., Proprietors, Toledo, O. Sold by Druggists, price 75¢. Take Hall's Family Pills for constipation.

Sufferer From Indigestion Relieved

"Before taking Chamberlain's Tablets my husband suffered for several years from indigestion, causing him to have pains in the stomach and distress after eating. Chamberlain's Tablets relieved him of these spells right away," writes Mrs. Thomas Casey, Eugene, N. Y. Obtainable everywhere.

JUNCTION BEATS SPRINGFIELD

(Continued from Page One)

end of the game the ball was in mid-field.

The game was close from the start to the finish and the line men had a hard time keeping the excited onlookers from getting onto the field. The individual plays of the Springfield men could not be beaten and if they had only had a team to practice with, they would certainly have a winning team. But the men showed they could be losers and in the return game, expect to be good winners.

The Springfield line up was: Beare, Bally, McKay, Wolley, S. Hill, Grandy, Dinn, B. Hill, Bryn, Kester, Cotton, and Gossler. In the second half Cotton substituted for Kester as center.

Royal Neighbor News
At the last regular meeting of the Royal Neighbors it was agreed that all Royal Neighbors should go to Eugene on November 23, when our Supreme Oracle, Mrs. Enright would be present. Also the local neighbors will help Eugene adopt 100 new members. We are going to give one of the most interesting socials held this year on December 7. And last but not least three of our most efficient workers surprised us with a delightful treat.

SPRINGFIELD ASTONISHED BY SIMPLE MIXTURE

Springfield people are astonished at the INSTANT action of simple buckthorn bark, glycerine, etc., as mixed in Alder-ka. ONE SPOONFUL removes such surprising foul matter! It relieves almost ANY CASE constipation, sour stomach or gas. Because Alder-ka acts on BOTH lower and upper bowel, a few doses often relieve or prevent appendicitis. A short treatment helps chronic stomach trouble. M. M. Peery Drug company.

SCHOOL LUNCH SWEETS

Directions for Nutritious Desserts Suitable for Children

The following suggestions are desirable sweets or simple desserts for children are taken from Farmer's Bulletin 712, School Lunches:

Fruit and Nut Confection

1 pound figs, 1 pound nut meats.

1 pound dried prunes or seedless raisins.

Confectioners' sugar.

Provides twenty-four 2-ounce portions.

Wash, pick over, and stem the fruits and put them with the nut meats through a meat chopper, and mix thoroughly. Roll out to a thickness of about one-half inch on a board dredged with confectioners' sugar, and cut into small pieces. If this candy is to be kept for some time, the pieces should be separated by means of paraffin paper.

This confection, in addition to being nutritious and well liked by children, has some value in preventing constipation.

Candied Fruit Peel

The candied peel of oranges, grapefruit, kumquats, and other citrus fruits makes a good sweet which is economical because it utilizes materials which might otherwise be thrown away. Its preparation makes an interesting school exercise. The skins can be kept in good condition for a long time in salt water, which makes it possible to wait until a large supply is on hand before candying them. The salt water takes out some of the bitter taste. The skins should be washed in clear water after removal from the salt water, boiled until tender, cut into small pieces, and then boiled in a thick sugar syrup until they are transparent.

They should then be lifted from the syrup and allowed to cool in such a way that superfluous syrup will run off. Finally they should be rolled in pulverized or fine granulated sugar.

Boiled Custard

2 cups hot milk, 3 egg yolks, 4 cups sugar, Speck salt, Flavoring.

Beat the yolks slightly and add the sugar and salt. Pour the hot milk over this mixture, stirring constantly. Cook in a double boiler, stirring until the mixture thickens and will form a coating on the spoon. Cool and flavor. If the custard curdles, beat with a Dover egg beater.

If the whites of the eggs are to be used, beat them very stiff and add three tablespoons of powdered sugar.

Place by spoonfuls on water which is hot but not boiling. Test occasionally by putting a knife into it; when it is done nothing will stick to the knife. Removes from the water with a wire egg beater or split spoon and put on the top of the custard.

To Do You Have Sour Stomach?

If you are troubled with sour stomach you should eat slowly and masticate your food thoroughly, then take one of Chamberlain's Tablets immediately after supper. Obtainable everywhere.

Royal Neighbors Plan Visit

At the regular meeting of the Royal Neighbors, it was decided that all local members should prepare to go to Eugene on November 23, when the Supreme Oracle, Mrs. Enright, will be present. At this time the Eugene lodge plans a big meeting, and is preparing to adopt at least 100 new members.

That Leaky Roof can be repaired very quickly and perfectly with our Roof Cement, guaranteed—We are headquarters for roofing paper. J. C. Holbrook.

DO YOU KNOW THAT

It is dangerous to put anything into the mouth except food and drink?

Sanitary instruction is even more important than sanitary legislation?

The U. S. Public Health Service issues free bulletins on tuberculosis?

The continuous liberal use of alcoholic beverages lowers efficiency and menaces longevity?

Moderate exercise in the open air prolongs life?

Now it's cold; but just try one of my new thoroughly guaranteed heaters and the cold and gloom will soon be forgotten. J. C. Holbrook.
