PORTLAND MARKET REPORT.

Cattle

Receipts of Cattle Monday were lighter than any previous Monday of the year. The light supply received a demand, there being buyers from all packers and butchers in the Northwest here looking for supplies, a number not even getting a look-in. Prices on all grades of beef cattle were a big 25 cents higher. There were only a few good loads in the run, which were made up principally of common Valley and Coast loads. The market is in fine shape on all grades.

Beef Steers

The beef steer demand was good and there was an active market. There was only one good load which brought \$7.50, with another load at \$7.30. The balance to the steers were mostly common grades and sales ranged from \$4.50 to \$6.50. Packers and butchers took about everything offered. Beef steers that were selling at \$7.00 to \$7.25 a week ago brought \$7.30 and \$7.50, and the other lines gained in proportion.

Cows And Heifers

She stuff scored advances the same as steers. Best cows sold at \$6.35 for one load with another bunch at \$6.25, which was selling at \$6.00 a week ago. There were but a few lots here and they were quickly absorbed. Fair to good cows sold from \$5.50 to \$6.00, with medium grades around \$5. Common grades sold down to \$3.50.

Bulls And Stags

There were but a few bulls offered in the run Monday with a good call for heavy bolognas. Best bulls sold from \$3.50 to \$4.25.

Hogs

A very liberal supply of hogs greeted the buyers Monday there being over 6000 head. Demand was good and an active trade ruled, although prices were lowered a little. The top of \$9.70 was 5 cents lower, while the bulk of sales \$9.55 to \$9.60 was 5 to 10 cents lower. The run included a good many pigs and half finished stuff which found very slow trade. Pigs sold from \$8.00 to \$8.50 with bulk at \$8.25.

Endeavorers Will Try for Trophy

Every Christian Endeavor in Lane county is now busily engaged in procuring millions. Millions of what? Money? No, but millions for Christian Endeavor. Every one has heard and knows something about the "Campaign for Millions." For a year and a half this campaign has been on throughout the United States and the world, but until recently, little has been done in Lane county Union. However, everyone is fighting hard right now, so if you are afraid of getting walked on, you had better get in the game.

Lane County Christian Endeavors are going to Salem to the State C. E. Convention, Feb. 23, 24, and 25, 1917, strong on a Special Convention Train and bring back with them the beautiful silver trophy cup offered to the organized Union standing highest to the present campaign at that time.

The campaign, however, will continue until July 1st, 1917, and if Lane county is still in the lead, the cup will remain in our possession forever. "We can do it if we will, and we must do it if we can."

As a special inducement to the societies, Miss Willie McGee, more commonly known as "Billy," who is our State Efficiency and Expert Superintendent has offered to the Society of Lane county having the highest percentage in the campaign at that time of our Lane County Convention.

In April, a handsome silver loving cup. This cup will remain in the possession of the society who first secures it by their hard work. Wouldn't it be fine if your society would win this trophy and Lane county the other cup? We will do it if you will help. If you have not been to Endeavor for some time, go next Sunday and find out what is going on.

Following are the figures showing the percentage of each Society according to the latest reports. If the figures for your society are incorrect or not up to date, please notify Mrs. H. R. Thompson, Creswell, at once.

If your society is low, you can make it on top. Put Lane county on the map. "BOOST."

THE young fellows teach the old ones and the old ones teach the young—that's the way it is with W-B CUT chewing right along. Less chewing for feeble jaws, less chewing for husky jaws—but the big point is satisfaction. Never before has there been so much satisfaction in so little a chew. It's rich tobacco, W-B CUT is. It makes you feel sorry for the fellows who chew so much of the old kind for so little benefit.

RETURN OF 16,000 NOT EXODUS OUT OF MEXICO.

Washington, Dec. 20.—It was officially stated at the war department tonight that the order for the return to their respective states of 16,000 national guardsmen for muster out of the federal service was not to be construed as foreshadowing a movement out of Mexico by General Pershing's column.

Officials also explained that a force of 75,000 guardsmen would be maintained on the border until Pershing is withdrawn, and that today's order merely was in pursuance of the previously announced policy to reduce the militia in the field to the minimum necessary.

It was generally understood here that when the expedition in Mexico is withdrawn the entire guard force will be returned to home points for muster out.
