

We Thank You

As we cross the threshold of a new year, we wish to thank those who have honored us with their confidence and trade during the year that is gone.

We strive always to protect and promote the interests of our friends and customers in every way and we are gratified to note the generous response which this policy brings.

During the coming year we shall make every effort to serve you even better than we have in the past.

We extend to all sincere wishes for a happy, healthy and prosperous New Year.

They came here with a view to getting ideas for remodeling the Lincoln plant.

We are making very attractive prices on Flour and Feed in quantities of 500 pounds or more. Prices that our competitors cannot meet. We buy right and in large quantities. If you are offered feed for less than we ask for it, take a sample off and compare with our stock. Our prices are lowest possible consistent with the quality of feed we are offering to our customers. Our feed comes from Eastern Washington and Oregon, and the feed made from the hardwheat of that section is not to be compared with the feeds produced in the Willamette Valley. Come in and let us show you the difference. There is the same difference in flour. We court your criticism. Highest quality Poultry Supplies at lowest prices. SPRINGFIELD FEED CO.

SCHOOL NEWS.

By RUTH SCOTT.

The high school students cheerfully resumed their labors Tuesday morning after a six days vacation.

There will be a parent teachers association meeting at the Lincoln school next Friday evening at 7:30 o'clock.

Isabel and Harry Hughes lately of Halley, Idaho, entered the high school Tuesday morning. Isabel is registered as a sophomore, and Harry a freshman.

Miss Boss Palmer third grade teacher of the Lincoln school, was unable to teach yesterday morning on account of illness. Miss May Triplett taught in her place.

The students are really able to see the black boards now; they were so slanted during vacation.

Reverend C. H. Jensen visited the high school yesterday afternoon.

A large number of students were compelled to remain after school Wednesday as a gentle reminder to bring their report cards back. The time allowed for report cards to be out is up and these were the unlucky victims. Principal P. M. Stroud threatened to keep them in thirteen more evenings if the cards did not appear this morning.

There is no reason why Miss Esther Campbell should not be punctual here. After she found that Santa had placed a nice new gold wrist watch in her stocking Christmas eve.

The basketball game played between Springfield high and Mapleton high, Thursday December 28, resulted in a victory for Springfield, the score being 27 to 24. Our boys appeared in their new blue and white jerseys.

There are a great many vacant seats in the assembly room, some of the students were evidently unable to recover from the hilarities of the holidays.

Miss Opal Holverson visited the high school yesterday afternoon.

A literary program will be given next Friday afternoon.

The mumps are still raging at Goshen, thus causing several students to be absent.

Miss Helen Kepner, a student of the Eugene Bible University visited school Tuesday afternoon.

After a delay of about two years the last seven volumes of the International encyclopedia were sent to the high school. Possibly the company thought that they would be more up to date, delivered at this time.

The entire high school building was fumigated during the Christmas vacation.

BAPTIST CHURCH

Reverend W. Norton Ferris, minister. Bible school at 10:00 a. m. Mrs. John Fitzgerald, superintendent. Divine worship at 11:00 a. m. "When and why does the church need reviving?" Theme of sermon by Pastor Ferris. Senior and junior meetings 6:30 p. m. Evening worship of song and sermon 7:30. Topic discussed by Reverend Ferris will be, "This year also." A message for the young folks. Music by the chorus. All are invited. Strangers welcome.

CHRISTIAN CHURCH

Chris H. Jensen, pastor. Our Sunday school begins at 9:45 a. m. Mr. Cagley superintendent. Next Sunday morning we will observe "Decision Day" in the Sunday school. The teachers have been urging decisions for the christian life, and we hope many will respond to the invitation. Subjects to be discussed by the pastor are as follows: morning, 11:00 o'clock, "Christian Readiness;" Evening 7:30, "A Weighing Process." Endeavor meeting 6:30. You are welcome to all these services.

Card of Thanks.

We take this way to express our heartfelt thanks for the help of the Brother Odd Fellows and others during the sickness and death of a beloved father, Geo. Koeneke. Also for the comforting words spoken and songs so beautifully rendered by the choir, and for the floral offerings given.

Mrs. WILMA SMITSON
JESSE SMITSON

Installation Friday Night.

The local orders of Odd Fellows and Rebekahs will hold joint installation here at the I. O. O. F. hall commencing at 8 o'clock. H. E. Walker is installing officer for the subordinate lodge, and Mrs. Curtis Hayden for the Rebekahs. Refreshments will be served.

THE GOOD JUDGE FINDS THE OFFICERS SHOW QUALITY TOBACCO
YOU MARK MY WORDS—ANY MAN TAKING A BIGGER CHEW OF W-B CUT TOBACCO THAN THAT, IS A TOBACCO SLUTTON AND WE DON'T WANT SLUTTONS ON THE FORCE.
YOU'RE RIGHT, GINI! SEVERAL OF OUR MEN USE W-B BECAUSE IT'S RICH TOBACCO AND A SMALL CHW SATISFIES.
LEAVE IT TO THE POLICE OFFICERS TO FIND OUT ABOUT QUALITY TOBACCO.
YOU notice a fine regard for appearance among the officers from Roundsmen to Captain—that's one reason they are so keen for W-B CUT Chewing. The pass-word among these gentlemanly fellows is "If you won't take a little chew don't take any." No need to disfigure the face, when a nibble of rich tobacco gives more satisfaction than a wad of ordinary stuff—also less grinding and spitting. Take a tip from the officer on W-B.

Explosives in Road Building

One of the newer methods of road building that is fast winning the endorsement of the better versed contractor is that of employing dynamite for reducing the heavy work.

Grading through hard ground or rock, for instance, is tedious and requires time and labor. The use of dynamite for blasting such material is a welcome relief. Both rock and hard clay may be loosened in the cut by well placed charges of explosives if holes are drilled into the ground a little way up the bank and loaded. Careful spacing and loading for electrically fired blasts will result in bringing down both classes of materials in the best possible manner.

In loosening shale and rock to facilitate hand or steam shovel work dynamite is also very effective, while stumps may be blasted from the roadbed just as though they were being removed from a field to be cleared and cultivated.

Boulders also are easily shattered by suitable loading and when of hard rock may be crushed into surfacing stone. The side ditches as well as the long outfall ditches can also be blasted in keeping with the nature of the ground. In fact, there are no limits practically to the many uses and advantages of dynamite for road building when careful and thoughtful attention is given to the work.

Incidentally the planting of shade trees for roadside improvement and attractiveness is greatly facilitated by the judicious use of a little dynamite. It is a recognized fact that trees planted in blasted holes grow much more rapidly and progress more favorably than those planted in the average spade dug ground.

GROCERIES

Our stock of Groceries is all fresh and dependable.

We put our guarantee back of every article we sell and insure satisfaction.

Our prices are as low as is consistent with the grade of goods we carry.

Give us a call.
