THE CLEAR PINK AND WHITE OF A

Perfect Complexion

GOES HAND IN HAND WITH GOOD HEALTH

A good complexion must come from within. If your skin is sallow and you have pimples or other skin eruptions, all of the cold cream, lotions and other preparations for external use cannot possibly help. You must first correct the condition of your blood. The bad blood may be caused by indigestion, constipation, liver and kidney troubles or other ailments.

You should find out from your physician just what the trouble is. He will probably recommend the use of some good tonic or blood purifier which may be found in our stock. Our line is complete.

C. E.'s HAVE ANOTHER ENJOYABLE SOCIAL

Plans were made for the coming-Lane county Christian Endeavor convention which is to be held in Springfield about the middle of next month ENJOYABLE MEETING at the regular monthly business meetan unusually enjoyable social was in order. An unique idea was that of asking each member to come prepared to suggest some game or other amusement to last 10 or 15 minutes, while another unusual plan was that of having a two course luncheon, the first course furnished by the girls and the other by the boys. Some of the results were rather queer, but very "eatable" Those who enjoyed the evening were: France and Fenner Travis, Nellie Nixon, Helen Roberts. Oscar Lee, Glenn Ditto, Mable Jan.j.
