

There's a Delicious Freshness to the Flavor of Our Fruit Drinks

The juices of fresh fruits are healthful. The principal ingredient of most juices from ripe fruits is a substance called grape sugar. Grape sugar is the form in which all starchy food is absorbed into the system. The fruit juices at our fountain are made from fresh, ripe fruit. They are sweet and nutritious and require no digestion. Fresh fruits and berries are always served in season. Our soda is clean, cold and sparkling.

BRITISH SAVED THE ENEMY.
Rescued Prisoners After Submarine Sank Hospital Ships.

Only one of the incidents reported in the sinking of the two hospital ships Donegal and Lanfranc, showing the amazing difference between the morale of the Germans and British, is that told of the saving of a badly wounded German officer by a British soldier; only less badly wounded.

While other German wounded prisoners aboard the Lanfranc were fighting frantically to get into the life boats as the ship was settling and foundering was imminent this Briton left the struggling Teutons on deck and went below for one of their countrymen they had forgotten, carrying him up to a lifeboat barely in time.

Another signal contrast is seen in the action of the British patrols in waiting around to pick up 152 German wounded, although in immediate risk of being torpedoed.

ASKS CHILDREN'S AID.
Bureau of Education Urges Them to Take Up Gardening.

The United States bureau of education has sent to all school boards of the nation an appeal for juvenile cooperation in increasing food production during the war.

Local authorities were urged to appoint a "garden teacher" for each 100 children between nine and fifteen years old who are willing to spend two or three hours a day in gardening.

Produce worth \$3,000,000 or \$4,000,000 can be raised by school children in this way during the coming year, the bureau believes.

OPENS FINE NEW OFFICES

Dr. Read has Modern Parlors in I. O. O. F. Temple

I have been in Eugene practicing dentistry for eleven years. When I came here I put in the most modern dental office in the city. The town grew—more dentists came, more modern dental offices were put in. I felt that my office was a back number. I never did take a back seat for anyone and as long as I am in the game I never will.

I HAVE JUST INSTALLED THE MOST MODERN OFFICE IN THE STATE OF OREGON; in fact, it is as good as you can find anywhere, TO MEET COMPETITION one encounters now.

I WANT TO JUST TELL YOU WHAT PEOPLE ARE SAYING ABOUT IT, that have been in to have their teeth put in good condition.

Mrs. D.—"Oh, say, Dr. Read—why this office is a dream! So refreshing, clean and neat."

Mrs. G.—"Dr. Read I have spent three half days in your dental chair. Really it has been a pleasure. The scenery from your operating room is so restful. Your room, too, doesn't seem like an operating room. Your furnishings, being in mahogany and the white walls, give the desired effect of cleanliness and sanitation, yet you feel like being at home. I, too, like the carpet and draperies."

Mr. M.—a merchant—"Gee whiz, Doc—say some class, eh? By George this office is some dandy."

"They can't knock now—a lady attendant, a nurse, an eye and ear and nose specialist; one of the leading physicians—all in one suite of rooms. Your being dressed in white just fits into the scheme fine. No one can call you a tooth plug or carpenter—no, not by a whole lot. With these furnishings it is sure an office of a dental surgeon. No more complaints. Good luck!"

These are only a few of the truthful remarks made about this office.

I am located in room 306, White Temple Bldg., Corner Oak and Ninth, Eugene. Do general practice of dentistry; fillings of all kinds, bridge work, false teeth; also have some of the most difficult cases of straightening children's teeth to be found anywhere. You don't have to go to Portland or have a Portland dentist come here; all done in my office. Why pay two dentists for one dentist's job? Come and see the offices and let us advise with you free of charge. Painless extraction as we have been doing here for these many years.

We invite you to inspect these offices whether we do work for you or not. Seeing is believing.
Office hours 8 a. m. to 6 p. m. Phone 397; Res. 1047-J.

S. D. READ, Dentist
