Published Tuesday, May 21, 1917, at Springfield, Oregon, second-class matter under act of Congress of March 3, 1879.

SPRINGFIELD, LANE COUNTY, OREGON, MONDAY, MAY 21, 1917.

VOL. XVII, NO. 33

## WAR GENSUS HEAD ISSUES INPORTANT REGISTERING NEWS

Tuesday, June 5, is Proclaimed by President as Official Census Day

### ALL MEN MUST REGISTER

No Male Resident Between The Ages of 21 and 30 is Exempt; Aliens Included Too.

(Cut this out and put it where you can find it.)

War Census Day—Tuesday, June 5, as named by President Wilson in his official proclamation.

**Who Must Register**—Every male resident between the ages of 21 and 30 years, inclusive. This includes aliens as well as Americans. Japanese, Chinese, Italians, Germans, English, Americans, and men of any other nationality who are of the designated ages, must register. Aliens will not be drafted for war duty, of course, but a complete record of them is desired.

**Who is Exempt**—No male resident between the ages of 21 and 30 years, inclusive, is exempt from registering. Those to be exempted from military service will be determined later, but first all must register.

**Where to Register**—Registration must be made in the home precinct of the man registering. Register at your regular voting place.

**Hours for Registration**—Booths at regular voting places in each precinct will be open on War Census Day from 7 o'clock a. m. to 9 o'clock p. m. Don't wait until the last moment. Register early.

**Registration of Absentees**—If you find you will be unavoidably absent from your home precinct on War Census Day, you should apply at the earliest possible date to the county clerk of the county in which you may be at the time, whether in Oregon or elsewhere, who will fill out your registration card. He will then give you the card, which you must mail to the registrar of your home precinct, in care of the sheriff of your home county in time to reach the registrar by War Census Day. If you live in Portland, or a city of over 30,000 population in another state, mail the card to the registrar in care of the mayor.

But remember, the burden of having your card reach the registrar of your home precinct by War Census Day is on you.

**Registration of the Sick**—Men of military age who are too ill to go to the voting booth to register must send a competent person before War Census Day to the county clerk to explain the circumstances, and secure instructions from the Federal regulations which these officials will receive from the Government.

**Penalties**—The penalty for failing to appear to register, or for giving false, misleading or incorrect answers is imprisonment. There is no alternative of a fine.

### BOYS HAVE FINE DISPLAY

Manual Training Projects Shown Saturday Show Good Work

All sorts of manual training students work from coat hangers and the first shaped models to beautifully finished pieces such as a mahogany piano bench, a music cabinet, and a book case, were on display Saturday in the old Racket store, under the direction of J. F. Goddard, manual training instructor. Also there were chicken coops, made by the boys, one of which contained a "Biddy" and 17 chicks.

The display attracted many people for the work shown was excellent. Only a part of the work done this year was represented.

New features of the display were bird houses, which haven't been shown before, and drawings of wood projects ready for blue prints. Mr. Goddard said the tracings were carefully done, and that the projects could be worked out.

The pieces and tracings displayed were the work of the seventh and eighth grade boys and the high school class in manual training.

### LOSERS SERVE GOOD EATS

Whites Give Reds Supper for Winning League Contest

About 80 Leaguers enjoyed a real "chicken supper" Friday night, when the "Whites" paid for being losers in the recent Efficiency contest. The menu for the affair, which was given in the Methodist church basement, followed: chicken a la Bechamel, mashed potatoes, creamed asparagus, cake coffee, and ice cream. Fifteen cents a plate was charged, the money to apply on the league pledge to the church.

W. T. Wright, second vice president of the league was toastmaster, and called on Randall Scott, the retiring president, Vance Cagley, the new president, Orson Vaughn, the leader of the Reds, and the Reverend S. A. Danford, in turn.

After supper, the delegates to the Albany convention met and made arrangements, then the guests played games, while the Whites washed the dishes.

### Red Cross Will Help Army Y.M.

Local Ladies Make Plans for a Benefit Banquet to be Given May 28

At the regular meeting of the local Red Cross chapter, held in the W. O. W. hall on Saturday afternoon, plans were made and committees appointed to arrange for a banquet to be served to the men of the city at the W. O. W. hall Monday evening, May 28, at seven o'clock. The object of the banquet is to get the men together for the purpose of raising funds for the Army Y. M. C. A. Speakers will be present to explain the Army Y. M. C. A. work.

The following committees on banquet were appointed: Menu and kitchen; Mrs. J. C. Dimm, Mrs. George Catching, Mrs. L. May; Dining room; Mrs. C. E. Wheaton assisted by the young ladies of the chapter; Advertising committee; Miss Rhodes assisted by the Honor Guard girls.

These committees are to work in conjunction with the local Army Y. M. C. A. fund committee. The place of meeting of the local chapter of the Red Cross was changed from the W. O. W. hall to the city library. Meetings will be held every Tuesday from four to five o'clock.

The secretary has received the membership receipts and all persons who have not received theirs can do so by applying to the secretary at the next meeting.

The following names have been added to the list of members of the local chapter of the Red Cross since the former list was published: J. C. Dimm, J. A. Cox, and Mrs. J. A. Cox.

### Speakers Will Be Here May 26

Final Days of Campaign to See Commissioners on Tour of All Parts of Oregon

The closing days of the road bond campaign will see the members of the state highway commission making an active canvass of the state.

Accompanied by Jay Bowerman, Chairman Benson will make a tour of the Willamette valley. Commissioner Thompson in company with James Stewart will cover eastern and southern Oregon points east of the Cascade mountains and Commissioner Adams will make speeches in both eastern and western Oregon.

The legislative good roads committee has arranged an itinerary for Chairman Benson next week, apart of which follows:

May 25, 11 a. m., Harrisburg; 3 p. m., Junction City; 7:30 p. m. Eugene. May 26, 10 a. m., Coburg; 3 p. m., Creswell; 7:30 p. m. Springfield.

Mr. Adams will conclude his campaign with a meeting at Oregon City, probably on the night of June 1, with a final meeting in Eugene, his home town, Saturday night, June 2.

The details of Commissioner Thompson's trip have not been worked out. Starting May 20 he will make an automobile trip through Umatilla, Morrow and central Oregon counties going to Bend, Burns, Lakeview and Klamath Falls.

### BIGGEST DREADNAUGHT IS LAUNCHED

Photo by American Press Association. Day and night forces will work to complete the dreadnaught New Mexico which was just launched at the Brooklyn navy yard.

### KEEP GARDEN BUSY THE WHOLE SEASON

Enjoy Fresh Vegetables Until Winter Comes by Planting Successively

Let one crop follow another and keep the garden busy. Many persons who have been paying little attention to gardening do not realize to what extent this is possible, but if we are to cope successfully with the threatened food shortage it will be necessary to make every square foot of soil count as many times as possible. Therefore in order to help every gardener to secure maximum results, Prof. Bouquet, Head of Vegetable Gardening at O. A. C. has arranged the following list of planting and seeding dates.

In arrangement the planting table is divided into two parts: first, seeding directly in the garden; second, transplanting of young plants, which have been previously grown or which have been bought. Dates of harvesting the different vegetables are also noted. Some vegetables which are being continually harvested are not again mentioned in the succeeding dates.

May 15 to 30.—Field Setting of tomatoes.

Seeding cucumbers, melons, lima beans, pumpkins, squash, sweet corn, summer radish, and lettuce. Also sowing in seed beds late fall cauliflower, broccoli, late cabbage, Brussels sprouts, Scotch kale.

Harvesting asparagus, rhubarb green onions, radishes, spinach.

June 1 to 15.—Transplanting plants of peppers, egg plant and early celery.

Seeding summer lettuce, string beans.

Harvesting asparagus, rhubarb, green onions, spinach, transplanted head lettuce, radishes, turnips, kohlrabi.

June 15 to 30.—Transplanting plants of early fall cauliflower, fall cabbage, early celery.

Seeding short season crops for successional harvesting. Harvesting head lettuce, asparagus, rhubarb, radishes, early peas, spinach turnips.

July 1 to 15.—Transplanting plants of late celery, late cabbage, Brussels sprouts, Scotch kale, broccoli. Planting of late beets, late carrots, late sweet corn.

Harvesting peas, lettuce, asparagus, early cabbage, early beets, bunch carrots, and others previously mentioned in preceding date.

July 15 to 30.—Finish transplanting celery and late crops mentioned above.

Seeding late string beans, late head

(Continued on page two.)

### DELEGATES MEET WITH CONVENTION

Epworth Leaguers Hold Annual Meeting at Albany Over Week End

Vance Cagley, newly-elected president of the Springfield Epworth League Chapter; Randall Scott, ex president, and John Dimm, League reporter attended the fourteenth annual convention held in Albany Saturday, Sunday and Monday.

Over 100 delegates from towns between Yoncalla and Jefferson and Lebanon to Newport were present at the business session which was held Saturday. Randall Scott, of the local chapter presided in the business session in the absence of C. E. Williamson, president of the district. The report of all of the chapters at the morning and afternoon session showed fine work done during the year with Springfield at the head. In fact Springfield has the largest chapter in the district, and possibly the largest in the state, with a membership of 125.

The delegates were guests of the Albany League at a banquet held in the basement of the church, Saturday evening which was reported by one of the delegates as "scrumptious." Sunday the members attended Sunday school and services which were presided over by Dr. Dan Brummitt, editor of the Epworth Herald, of Chicago. The evening League service was to have been in the hands of the Corvallis chapter, but which failed to make their appearance, but nevertheless a very interesting meeting.

The newly elected officers were installed Sunday evening after services, by Dr. James T. Moore, district superintendent of the Eugene district of the church.

Monday morning a meeting was held by Dr. Dan Brummitt, which was very interesting and helpful to all present, closing the convention for the year.

**Red Cross for Junction City** Junction City will have an auxiliary of the local Red Cross chapter as a result of a visit of a party of Red Cross boosters from Springfield and Eugene, who visited Junction City last Thursday. Those who made the trip were: Rev. H. W. Davis, W. W. Brown, Mrs. R. S. Bryson, Mrs. Nellie B. Lombard, Mrs. G. N. Frazer and Miss Lulu Gile.

**Painting Christian Church** The Kelly brothers, painters, of Eugene, who have the exterior painting contract for the Christian church, have commenced the work. They expect to complete the work in a week. The contract for the interior painting has not been let. Carpenters are still busy finishing the wood work.

### "FLIES" WILL BE SUBJECT

Parent-Teachers to Precede Clean-Up Campaign by Lecture

Preceding the clean-up campaign to be launched in Springfield soon, Earl Kilpatrick of the University of Oregon school of Extension, will talk on "Flies" and will give some valuable suggestions, at the Parent-Teachers meeting to be held on Thursday evening, May 24, at the Lincoln school, beginning at 7:30 o'clock.

There will also be other numbers on the program for this meeting, which will be the last one of the year. A large turnout is desired in order that the clean-up campaign may be launched with a vim, and that the disease-breeding elements of the town may be gotten rid of now, before hot weather begins. Mrs. C. A. Barnett, chairman of the program committee is in charge of arrangements for Thursday night.

### Mrs. C. E. Whiteley Passes Away

Funeral Will Be Held from Christian Church Tuesday Afternoon

Mary Elizabeth Whiteley, wife of C. E. Whiteley, died at 10:09 o'clock last evening, after having been bedfast for four weeks. She was 42 years old.

Mrs. Whiteley was born in California, and had lived in this city since December 1, 1916. She was a member of the Christian church at Cottage Grove.

Deceased is survived by her parents Mr. and Mrs. L. C. Scott of Saginaw, Oregon, two sisters and four brothers: Mrs. C. E. Pryor of Eugene, Etta May Scott of Saginaw, Glen Scott of Doran, Thomas Scott of Canada, Roy Scott of Washington, and Walter Scott of Oakland, California; the husband C. E. Whiteley and four daughters—Opal, Pearl, Fay and Chloe, and one son, Elwin Whiteley.

The funeral will be held from the Christian church tomorrow afternoon at 1:30 o'clock, Reverend C. H. Jensen officiating. Interment will be made in the Laurel Hill cemetery.

Those who are sorrowing for this good woman have the sympathy of the community, for while the family had lived here but a short time, the members had already found warm places in the hearts of Springfield people.

Milton Scott, grandfather of Mrs. Whiteley died at his home at Saginaw this morning at five o'clock. He was more than 90 years of age.

### Day of Mourning Plans Being Made

Ladies of G. A. R. and Iuka Post Arrange to Honor Dead Heroes

All United States war veterans, members of all patriotic societies, the school children, and everyone who is patriotic, are asked to meet at the W. O. W. hall at ten o'clock on the morning of May 30 to assist the local Ladies of the G. A. R. Circle and the Iuka Post in the observance of Memorial day. Everyone who can will please bring flowers.

Reverend H. C. Ethell will deliver the address at the cemetery in the morning, and there will be songs and the decoration of the graves. The children especially are asked to help in the latter ceremony, one of the chief objects of the day being to help the younger generations revere the past patriots in this hour when patriotism is so needed.

Reverend S. A. Danford will preach a decoration day sermon on Sunday evening, May 27. Reverend Chris H. Jensen, who is a Spanish war veteran will speak in commemoration of the sailor dead at the river bridge on the afternoon of the thirtieth.

Mrs. Katherine Horton, president of the Ladies of the G. A. R. circle, and Mrs. Myrtle Eggmann, treasurer of the organization, are in charge of arranging for the memorial services, and will be very glad for any aid which can be given in this work.

James Inman, commander of the Post, and C. M. Dority, adjutant, are in charge of Post arrangements. Mr. Dority asks that all organizations of

### HINTS ON CONTROL OF INSECTS GIVEN BY A. L. LOVELL

O. A. C. Professor Prepares Suggestions for Aid of Vegetable Gardeners

### HAVE BEEN TRIED OUT

Recommendations Are Based on Experiments and Represent Most Approved Practices

Because of the numerous insect pests which attack vegetable crops a few brief hints on some of the more important pests and their control are offered. The recommendations are based on careful experiments and represent the most approved practices for control. These suggestions on pests and their control are offered by A. L. Lovell, Associate Professor of Entomology at O. A. C.

**Cutworms**—Before crops are planted, chop up succulent plants such as alfalfa, clover, mustard, etc., and to 1 gallon of the chopped leaves add one teaspoonful of white arsenic, paris green or lead arsenate and 2 tablespoonfuls of sirup of sugar. Mix thoroughly and place in small heaps over plowed ground.

After crops are in, use poison-bran mash as follows:

Bran, 10 pounds; white arsenic or paris green, 4 ounces; salt, 2 ounces; warm water to make a crumbly mash. Amount sufficient for 1 acre. Broadcast over field in evening. For plants such as cabbage, tomatoes, etc., cylinders of stiff paper or tin (tin cans with bottom melted out) may be placed about the plant, extending well down in the soil and projecting about 2 to 3 inches. Take care that no cutworms are inside when applying.

**Grasshoppers**—If grasshoppers appear use bran mash formula above, substituting one-half ounce lemon extract for salt.

**Slugs**—Grayish or brownish, slimy, repulsive naked snails. Use vegetable bait as for cutworms. Dust soil with ashes or air slacked lime. Dust plants with the following preparation: screened wood ashes of sulfur 85 parts, powdered arsenate of lead 15 parts.

**Wireworms**—Difficult to control. Write the Oregon Agricultural College, Corvallis, Oregon, for special circular.

**Flea Beetles**—Small shiny brown or black beetles which jump like a flea when disturbed. Dust plants as recommended for slugs. Send for special circular on flea beetles, wireworms, etc., at the Oregon Agricultural College, Corvallis, Oregon.

**Aphids or Plant Lice**—Small soft-bodied, green or black insects feeding in groups on under surface of leaves. Use liquid contact sprays; Kerosene emulsion of tobacco sprays. The best for general use is water, 10 gallons; fish-oil soap, 1 pound; Black-leaf 40, 1 1/2 ounces (3 tablespoonfuls). Dissolve soap in small amount of water. Make up to 10 gallons and add Black-leaf.

**Cabbage worm**—Dust plants at ten-day intervals with sifted wood ashes of sulfur 85 parts, powdered arsenate of lead 15 parts, until plants commence to head and later if worms become bad.

**Spotted Beetle**—About size of lady bug. Yellowish green with black stripes of spots. See under cucumber insects.

**The Spotted Cucumber Beetle**—About size of lady bug, greenish-yellow with black spots. Dust plants with material recommended for cabbage worms. Leave a few plants of beans, squash, or similar attractive plant untreated on which they may collect. Kill them here by mechanical means.

**Corn Ear Worm**—Eats into tip of ear, appearance of cutworm. Frequent surface cultivation of much value. When silks "shoot" dust sulfur and arsenate down into tip of ears (see cabbage worm) at eight-day intervals until silks dry up. Use can with perforated cover and treat two rows at a time.

**Undergoes Operation** Mrs. Mark V. Endicott was taken to the Springfield hospital on Friday where she underwent a minor operation that afternoon. She was able to return home Saturday afternoon.
